

OPERATION HOMETOWN HERO

Nassau County Executive **Edward P. Mangano**,
Stop & Shop Supermarkets, and the **Museum of American Armor**
seek to honor the military veterans in our community.

You are invited to write a brief essay about the veterans in your family, or others you know. If you wish, include copies or scans of relevant vintage photos, letters, or other mementos of their military service. Your submissions will be reviewed by leaders from various veterans' organizations, for the purpose of selecting winners to participate in the MOAA "Armor Experience" on Veterans Day 2016 at the Museum of American Armor. Sponsored by Stop & Shop Supermarkets.
