Camps, Groups and Organizations,

Welcome to the Nassau County Parks. We look forward to your return to the Nassau County Parks facilities for another summer season and welcome all newcomers.

It is mandatory that a **Certificate of Insurance** and **Safety Plan** be provided for each park where pools and other facilities will be or are intended to be used. The Safety Plan must include the use of your bus(es) for shelter in the event of inclement weather. Please contact the park manager at each County Park you intend to apply to in order to make requests for use of the facilities.

If your group intends to use the pools or beach, please review the mandatory "**Pool/Beach Requirements**" along with the additional services available and fees that may be imposed. It is essential that the signed agreement along with the required documents applicable to your group or situation be returned before commencing any activities. A **Safety Plan** (as stated above to include use of the buses in inclement weather), **Lifeguard/Pool Activity Leader (PAL) Certifications**, for pool or beach use, and a **Certificate of Insurance** are mandatory before any group is permitted to use the facilities at any of the parks.

Swimming pools are available at: Cantiague Park; Christopher Morley Park; North Woodmere Park; and Wantagh Park; and the beach is available at Nickerson Beach Park. Use of the pool slides at Cantiague Park, North Woodmere Park and Wantagh Park are included in the fees. As stated above, please contact the Park Managers directly in order to make arrangements for use of the facilities at each location.

A **Safety Plan** must be provided to the Park Managers before your camp/groups commence use of the facilities. All groups must also staff a **Certified Red Cross Lifeguard or Pool Activity Leader (PAL)** for every 75 campers. Additional lifeguards must be provided for campers over that number. You will be denied access if your group arrives without the required lifeguard or PAL coverage.
