ACTIVITY DEFINITIONS

Below is a list of eligible CDBG activities. In order to utilize CDBG funds for an activity, it must also meet a National Objective and be eligible in accordance with the regulations at 570.201–570.207. Subrecipients need to refer to the regulations to determine an activity's eligibility

Code	Definition
01	Acquisition of Real Property
	Acquisition of real property that will be developed for a public purpose. Use code 01 for the CDBG-funded purchase of real property on which, for example, a public facility or housing will be constructed.
	When CDBG funds are used to:
	 acquire a public facility that will be rehabilitated with CDBG funds and continue to be used as a public facility, assign the appropriate 03* code.
	• acquire housing that will be rehabilitated, use code 14G.
02	Disposition of Real Property
	Costs related to the sale, lease, or donation of real property acquired with CDBG funds or under urban renewal. These include the costs of temporarily maintaining property pending disposition and costs incidental to disposition of the property.
03A	Senior Centers
	Acquisition, construction, or rehabilitation of facilities (except permanent housing) for seniors.
	03A may be used for a facility serving both the elderly and the handicapped provided it is not intended primarily to serve persons with handicaps. If it is, use 03B instead.
	For the construction of permanent housing for the elderly, use code 12; for the rehabilitation of such housing, use the appropriate 14^* code.
03B	Handicapped Centers
	Acquisition, construction, or rehabilitation of centers, group homes, and other facilities (except permanent housing) for the handicapped.
	03B may be used for a facility serving both the handicapped and the elderly provided it is not intended primarily to serve the elderly. If it is, use 03A instead.
	For the construction of permanent housing for the handicapped, use code 12; for the rehabilitation of such housing, use the appropriate 14^* code.

03C	Homeless Facilities (not operating costs)
	Acquisition, construction, or rehabilitation of temporary shelters and transitional housing for the homeless, including battered spouses, disaster victims, runaway children, drug offenders, and parolees.
	For the construction of permanent housing for the homeless, use code 12; for the rehabilitation of such housing, use the appropriate 14^* code.
03D	Youth Centers
	Acquisition, construction, or rehabilitation of facilities intended primarily for young people age 13 to 19. These include playground and recreational facilities that are part of a youth center.
	<i>For the acquisition, construction or rehabilitation of facilities intended primarily for children age 12 and under, use 03M; for facilities for abused and neglected children, use 03Q.</i>
03E	Neighborhood Facilities
	Acquisition, construction, or rehabilitation of facilities that are principally designed to serve a neighborhood and that will be used for social services or for multiple purposes (including recreation). Such facilities may include libraries and community centers.
03F	Parks, Recreational Facilities
	Development of open space areas or facilities intended primarily for recreational use.
03G	Parking Facilities
	Acquisition, construction, or rehabilitation of parking lots and parking garages. Also use 03G if the primary purpose of rehabilitating a public facility or carrying out a street improvement activity is to improve parking.
	<i>If parking improvements are only part of a larger street improvement activity, use 03K.</i>
03H	Solid Waste Disposal Improvements
	Acquisition, construction or rehabilitation of solid waste disposal facilities.
031	Flood Drainage Improvements
	Acquisition, construction, or rehabilitation of flood drainage facilities, such as retention ponds or catch basins. Do not use 03I for construction/rehabilitation of storm sewers, street drains, or storm drains.
	Use 03J for storm sewers and 03K for street and storm drains.

3J	Water/Sewer Improvements
	Installation or replacement of water lines, sanitary sewers, storm sewers, and fire hydrants. Costs of street repairs (usually repaving) made necessary by water/sewer improvement activities are included under 03J.
	For water/sewer improvements that are part of:
	 more extensive street improvements, use 03K (assign 03K, for example, to an activity that involves paving six blocks of Main Street and installing 100 feet of new water lines in one of those blocks).
	 a housing rehabilitation activity, use the appropriate 14* matrix code.
	For construction or rehabilitation of flood drainage facilities, use 03I.
03K	Street Improvements
	Installation or repair of streets, street drains, storm drains, curbs and gutters, tunnels, bridges, and traffic lights/signs. Also use 03K:
	 for improvements that include landscaping, street lighting, and/or street signs (commonly referred to as "streetscaping").
	 if sidewalk improvements (see code 03L) are part of more extensive street improvements.
03L	Sidewalks
	Improvements to sidewalks. Also use 03L for sidewalk improvements that include the installation of trash receptacles, lighting, benches, and trees.
03M	Child Care Centers
	Acquisition, construction, or rehabilitation of facilities intended primarily for children age 12 and under. Examples are daycare centers and Head Start preschool centers.
	<i>For the construction or rehabilitation of facilities for abused and neglected children, use 03Q; for the construction or rehabilitation of facilities for teenagers, use 03D.</i>
03N	Tree Planting
	Activities limited to tree planting (sometimes referred to as "beautification").
	<i>For streetscape activities that include tree planting, use 03K; for sidewalk improvement activities that include tree planting, use 03L.</i>
030	Fire Stations/Equipment
	Acquisition, construction, or rehabilitation of fire stations and/or the purchase of fire trucks and emergency rescue equipment.

03P	Health Facilities
	Acquisition, construction, or rehabilitation of physical or mental health facilities. Examples of such facilities include neighborhood clinics, hospitals, nursing homes, and convalescent homes.
	Health facilities for a specific client group should use the matrix code for that client group. For example, use 03Q for the construction or rehabilitation of health facilities for abused and neglected children.
03Q	Facilities for Abused and Neglected Children
	Acquisition, construction, or rehabilitation of daycare centers, treatment facilities, or temporary housing for abused and neglected children.
03R	Asbestos Removal
	Rehabilitation of any public facility undertaken primarily to remove asbestos.
035	Facilities for AIDS Patients (not operating costs)
	Acquisition, construction, or rehabilitation of facilities for the treatment or temporary housing of people who are HIV positive or who have AIDS.
	<i>For the construction or rehabilitation of facilities for AIDS education and prevention, use 03P.</i>
03T	Operating Costs of Homeless/AIDS Patients Programs
	Costs associated with the operation of programs for the homeless or for AIDS patients, such as staff costs, utilities, maintenance, and insurance.
	Because payment of operating costs for these programs is a public service under CDBG, all CDBG expenditures for 03T activities are included in the calculation of the Public Services cap.
03	Other Public Facilities and Improvements
	Do not use this code unless an activity does not fall under a more specific 03^* code. Also, do not use one activity for multiple facilities and then assign it an 03 because the types of facilities are different.
	One legitimate use of 03 is for activities that assist persons with disabilities by removing architectural barriers from or providing ADA improvements to government buildings (activities that otherwise would not be eligible for CDBG funding).
04	Clearance and Demolition
	Clearance or demolition of buildings/improvements, or the movement of buildings to other sites.
04A	Cleanup of Contaminated Sites
	Activities undertaken primarily to clean toxic/environmental waste or contamination from a site.

05A	Senior Services
	Services for the elderly. 05A may be used for an activity that serves both the elderly and the handicapped provided it is not intended primarily to serve persons with handicaps. If it is, use 05B instead.
05B	Handicapped Services
	Services for the handicapped, regardless of age.
05C	Legal Services
	Services providing legal aid to low- and moderate-income (LMI) persons.
	<i>If the only legal service provided is for the settlement of tenant/landlord disputes, use 05K.</i>
5E	Youth Services
	Services for young people age 13 to 19 that include, for example, recreational services limited to teenagers and teen counseling programs. Also use 05D for counseling programs that target teens but include counseling for the family as well.
	<i>For services for children age 12 and under, use 05L; for services for abused and neglected children, use 05N.</i>
	Transportation Services
	General transportation services.
	<i>Transportation services for a specific client group should use the matrix code for that client group. For example, use 05A for transportation services for the elderly.</i>
05F	Substance Abuse Services
	Substance abuse recovery programs and substance abuse prevention/education activities. If the services are provided for a specific client group, the matrix code for that client group may be used instead. For example, substance abuse services that target teenagers may be coded either 05D or 05F.
05G	Services for Battered and Abused Spouses
	Services for battered and abused spouses and their families.
