All funding requests submitted under this category will be prioritized for funding and will be reviewed to determine whether the proposed activity will lead to the production of affordable housing in these areas. Lists of HOAs for individual consortium members can be obtained from the NC OHCD.

Funds awarded **under this category** may be used for the following eligible CDBG activities:

- Property acquisition including closing costs (24CFR 570.201(a))
- Property Disposition (24CFR 570.201(b))
- Clearance/Demolition (24CFR 570.201(d))
- Rehabilitation of Acquired Properties (570.202)
- Homebuyer Assistance (for properties to be acquired) (570.201(n))

Ineligible costs **under this category** include:

- Relocation
- New Construction
- Program Delivery & Administrative Costs

**More detail on the eligibility and national objective compliance of real property acquisition is available as a separate attachment to this application from NC OHCD.**

The resale or rental of all properties acquired must comply with all CDBG requirements and must meet the low/mod housing national objective. Additionally, all properties must be affirmatively marketed and meet long term affordability requirements.
