- **Only use prescription medications as directed by a health professional.**
- **Never share your prescription medications with others or use someone else's prescription medications.**
- **Be a good example to those around you by modeling these safe medication-taking practices and discussing the dangers of misusing prescription drugs with your family, friends, colleagues, students, or patients.**
- **Always store your medications securely to prevent others from taking them, and properly dispose of medications that you no longer need.**
- **Residents can DISPOSE of their unwanted medications at any Nassau County Police Department Precinct or Police Center. The disposal bin is located in the lobby. Turn over for precinct locations.**

This fact card was printed by the Manhasset Community Coalition Against Substance Abuse (CASA)'s Generation Rx Grant Award funded by the Cardinal Health Foundation. The Cardinal Health Foundation is committed to helping communities address prescription drug misuse.
