Buy-Up Plan 2018

Nassau County and Healthplex are continuously seeking new ways to improve your benefits for you and your family. We are pleased to announce that as of **January 1, 2018**, Nassau County members will be able to obtain a voluntary “Buy-Up” dental plan. In addition to the PPO enhancements that will be effective **January 1, 2018**, the Buy-Up dental plan will include the following additional improvements:

ORTHODONTIA*

No charge for covered orthodontic services. Includes coverage for palate expanders with a \$375 copayment. This will not apply toward the lifetime ortho max.

IMPLANTS

Coverage Includes surgical placement of implants.

COSMETIC COVERAGE

Includes bleaching, veneers and no alternate benefit clause for approved services. This means you will be able to have white fillings or a porcelain crown on molars or a fixed bridge rather than a removable partial denture.
