

The “GAMES 2018”- Come share the Victory

The 34th, Nassau County Empire State- Games for the Physically Challenged, “**Victory Challenge**” will be held May 31st thru June 2nd at the Mitchell Athletic Complex.

More than 1,100 physically challenged young people from across New York State will participate and compete in a variety of competitive sports and recreational activities, adapted to suit each athlete’s unique ability.

The athletes whose physical challenges include amputees, cerebral palsy, spinal cord injured, visually impaired and deaf/hearing impaired; will compete for Gold-Silver-Bronze medals and ribbons in events that include Track n Field, Swimming, Wheelchair Basketball, Archery and Table Tennis.

If you have never had the opportunity to witness “The Games” and the commitment, determination and pride of these incredible young athletes; I urge you to do so... I assure you will leave inspired and renewed.

The Game are made possible by the continued commitment of Nassau County Executive Laura Curran , the departments of Parks and Recreation, Health and Human Services, as well as many private/public partnerships and dedicated volunteers.

Please ... Come see what the excitement is all about.
