## **EXECUTIVE SUMMARY**

## OVERVIEW

The Office of Management and Budget (OMB) is pleased to issue the 2013 May Financial Report. Historically, the County has reported its financial results on a budgetary basis, a comparison to the County's Adopted Budget. This document continues this method, and maps and reports on County expenses and revenues as detailed in the 2013 Adopted Budget. During the 2012 Budget adoption process, an agreement was reached with the Nassau County Interim Finance Authority (NIFA) to achieve structural balance in 2015. The County will remain in budgetary balance despite unprecedented increases in employee pension and health insurance costs.

The County acknowledges that it continues to project a GAAP deficit (excluding other financing sources) in each year until 2015, and that the NIFA control period will likely need to extend through that time, and plans to use the transitional borrowing conditionally allowed by NIFA to substantially fund tax certiorari refunds, other judgments and settlements, and termination payments until it can bring its operating expenditures in line with its operating revenues and produce a balanced budget (excluding other financing sources). Proceeds from these borrowings, which require approval by NIFA, do not contribute to GAAP revenues due to the accounting treatment prescribed by GAAP.

In the wake of Superstorm Sandy the County faces related expenditures in 2013 for residual debris removal, protective measures, infrastructure repair and other costs yet to be fully estimated. In accordance with an order by President Obama on May 23, 2013, eligible Superstorm Sandy expenses will qualify for 90% federal reimbursement (except for certain immediate assistance previously authorized at 100% federal reimbursement). It is uncertain if the State will assume any of the local 10% share of these expenses, but as in 2011, the State assumed all local share costs for Hurricane Irene, therefore the County is seeking 100 percent reimbursement, consistent with Hurricane Irene. The May projection does not include any anticipated hurricane related costs as they are segregated into an established FEMA Fund.

The consolidation of police precincts from eight to four initiated in FY 2012 was expected to produce annual savings of \$20 million. The consolidation of the 1<sup>st</sup> precinct into the 7<sup>th</sup> precinct has been delayed after a determination that the Seaford-based 7<sup>th</sup> Precinct sustained too much damage during Superstorm Sandy to handle the merge. The administration is reconsidering options on how to best manage community policing for the south shore in a new precinct, but perhaps in a different location.

Because of the layoffs and voluntary incentive programs through 2011 and 2012, the fulltime headcount for the major funds at the end of May 2013 was 7,318 positions compared to 7,861 at the end of December 2011, representing a reduction of 543 positions. Despite these efforts the County continues to face fiscal and operational challenges in 2013 in order to balance savings with limited replacement of personnel deemed crucial to County operations.

---

## FISCAL 2013 MONTHLY FINANCIAL REPORT

The projections in the tables that follow are based on headcount at the end of May 2013. The Administration has not projected operating costs for police terminations as it intends to bond for those separations. As of May 31, 2013, a total of 30 police separations have occurred at a cost of approximately \$6.9 million, with an additional 6 officers in the pipeline.

The County assumes that there will be attrition savings of \$1.5 million, excluding uniformed members of the Police Department. The attrition savings are reflected in the Budget Department as a placeholder and will be allocated in subsequent months as the savings are recorded in each department.

Prior to the corrective actions, the County is projecting a surplus of \$10.6 million primarily due to fringe savings in health insurance due to a lower than anticipated composite premium rate increase, a lower than anticipated number of caseloads and children served than originally contemplated in Early/Special Education, Recipient Grants and Emergency Vendor Payments and Medicaid State reform which lowered the Counties weekly Medicaid payments.

The status of the current initiatives is listed below.

Gap Prior to Corrective Actions (\$'s in millions)	10.6
Police Long-Term Disability Retirements Savings	0.8
Correction Officers Long-Term Disability Retirements Savings	0.8
<b>Surplus After Corrective Actions</b>	<b>12.2</b>

### EXPENDITURE RESULTS

#### Salaries, Wages & Fees

Projected Salaries Expense for 2013 for the five major funds is \$783.9 million, which is \$0.7 million less than the 2013 Adopted Budget. The projected variance is primarily being driven by vacancies offset by higher projected overtime, the hiring of additional Police and Corrections Officers and an interest arbitration award for the Investigative Police Benevolent Association collective bargaining unit (IPBA). For 2013, the County will continue its on-going efforts to reduce costs.

#### Headcount

The full-time headcount for the major funds as of May 31, 2013 was 7,318 positions, which represents 61 fewer employees than year-end 2012. The headcount will continue to decrease as a result of continued normal attrition and limited replacement of personnel deemed crucial to County operations. The headcount reductions represent a decrease of over 20% when compared to the number of positions in the 2009 Adopted Budget.

#### Overtime

Through May 31, 2013, the Police Department incurred approximately \$16.8 million in overtime expense. OMB is projecting that the Police Department will end 2013 with \$56 million in overtime expense, which is \$12 million higher than the Adopted Budget. Through May 31, 2013, the Sheriff/Correctional Center incurred approximately \$4.4 million in overtime expense. The projection for the year assumes that the department will be on budget.

#### Fringe Benefits

The 2013 Adopted Budget for Employee Benefits provided for the five major funds is \$495.6 million. This includes a variety of expenses, the largest of which are employee and retiree health insurance, pensions and the County's portion of the FICA payroll tax. For 2013, Employee Benefits are projected to be \$482.4 million, a \$13.2 million savings from the 2013 Adopted Budget, primarily attributable to lower than budgeted health insurance costs due to lower composite based premium increases as well as a declining number of individuals on the health insurance rolls in spite of additional recruits for Police and Corrections. See the selected Fringe Benefits (AB) schedules immediately following the departmental tables for more details regarding current projections on some of the more significant fringe benefit items.

### **Early Intervention/Special Education**

OMB projects Early Intervention/Special Education to be \$154.9 million, a \$15.1 million surplus when compared with the 2013 Adopted Budget amount of \$170.0 million. The decrease is primarily attributable to a lower than anticipated number of caseloads and children served than originally contemplated.

### **Recipient Grants**

OMB projects Recipient Grants to be \$63.2 million, a \$4.0 million surplus when compared with the 2013 Adopted Budget amount of \$67.2 million. The decrease is primarily attributable to a lower than anticipated number of caseloads under the Temporary Assistance for Needy Families, Safety Net and Foster Care programs.

### **Purchased Services**

OMB projects Purchased Services to be \$61.3 million, a \$2.0 million shortfall when compared with the 2013 Adopted Budget amount of \$59.3 million. The increase is primarily attributable to a slower decline in the number of daycare caseloads than originally anticipated, which is contingent upon caseload recertification.

### **Emergency Vendor Payments**

OMB projects Emergency Vendor Payments to be \$61.2 million, a \$1.2 million surplus when compared with 2013 Adopted Budget amount of \$62.4 million. The surplus is projected primarily due to a lower number of caseloads under the Temporary Assistance for Needy Families, Safety Net, Institutional Care, Juvenile Delinquent and People in need of Supervision programs.

### **Medicaid**

OMB projects Medicaid to be \$250.7 million, a \$2.4 million surplus when compared with the 2013 Adopted Budget amount of \$253.1 million. The surplus in Medicaid is primarily attributable to State reform which lowered the County's weekly Medicaid payment.

## **REVENUE RESULTS**

### **Fine and Forfeits**

OMB projects Fine and Forfeits to be \$60.2 million, which is \$2.3 million lower than the \$62.5 million in the 2013 Adopted Budget primarily due to a delay in ticket revenues received by

## FISCAL 2013 MONTHLY FINANCIAL REPORT

---

Traffic & Parking Violations Agency of \$1.0 million, lower than the anticipated number of Alarm Fines imposed by the Police Department of \$1.0 million and in Consumers Affairs a shortfall is due to the lower than anticipated collection of fees associated with penalties' on violators and trade practices.

### **Investment Income**

OMB projects Investment Income to be \$2.4 million lower than the \$3.1 million in the 2013 Adopted Budget primarily due to a lower than anticipated investment earnings rate than was budgeted.

### **Department Revenues**

OMB projects Department Revenues to be \$170.6 million, which is \$7.6 million lower than the \$178.2 million in the 2013 Adopted Budget primarily due to a lower than anticipated influx of inmates resulting from a Directive from the Department of Homeland Security to release undocumented immigrants being incarcerated and as well as the need to house Suffolk inmates since the construction of the new Suffolk County jail. There has also been a delay in the implementation of a Tax Map Fee Initiative. These unfavorable items are partially offset by a projected increase in Clerk fees that are trending higher than anticipated.

### **Capital Resources for Debt**

OMB projects Capital Resources for Debt to be \$1.4 million higher than the \$27.4 million in the 2013 Adopted Budget primarily due to better rates than what was projected for the February 2013 borrowing issue.

### **Federal Aid**

OMB projects Federal Aid to be \$2.7 million lower than the \$156.1 million in the 2013 Adopted Budget primarily due to a lower than anticipated Federal Inmate population at the County's Correctional facility, lower salary expense reimbursements and various direct assistance program caseloads in Social Services.

### **State Aid**

OMB projects State Aid to be \$12.7 million lower than the \$232.4 million in the 2013 Adopted Budget primarily due to lower reimbursable expenses in connection with county provided Early Intervention/Special Education services, the partial conversion of State Aid for indigent defense into a grant and a decrease in Safety Net caseloads in Social Services.

The Nassau Regional Off-Track Betting Corporation (OTB) is a component unit of Nassau County. It was created by the New York State Legislature as a public benefit corporation. Nassau County receives net operating profits from OTB and these revenues are recorded in the County's General Fund.

Please note that these figures are estimated based on our 2013 budget submitted to the NYS Gaming Commission Board. These figures will be reconciled to actual figures once our filings with the NYS Gaming Commission have been submitted and accepted.

**KPI REPORT 9: Tax Certiorari Report**

The County's Assessment Review Commission (ARC) has compiled preliminary statistics as of June 1, 2013 with respect to grievances filed for the 2014/2015 tax year. Thus far, there have been 158,276 grievances filed broken down as follows:

<b>Class</b>	<b>Number of Grievance</b>
Class I Properties	136,677
Class II Properties	5,621
Class III Properties	523
Class IV Properties	15,455
<b>Total</b>	<b>158,276</b>

The joint conference program with the County Attorney's office and ARC, implemented to increase the number of settlements is proceeding very well.

There have been no offers of settlement on the 2014/2015 grievances filed, as the filing period recently ended (May 1<sup>st</sup>) and ARC is still compiling the results.

ADAPT (the County's multi-department tax certiorari case management system) is in its final adjustments phase and is expected to facilitate communication and sharing of information for the several different applicable departments and improve the swiftness of case dispositions.

In an effort to save on the County's liability, ARC has made adjustments to the following major properties for the 2013/2014 tax year:

- The Source Mall
- The Roslyn Gardens Co-op apartment complex
