## **EXECUTIVE SUMMARY**

## OVERVIEW

The Office of Management and Budget (OMB) is pleased to issue the 2013 September Financial Report. Historically, the County has reported its financial results on a budgetary basis, a comparison to the County's Adopted Budget. This document continues this method, and maps and reports on County expenses and revenues as detailed in the 2013 Adopted Budget. During the 2012 Budget adoption process, an agreement was reached with the Nassau County Interim Finance Authority (NIFA) to achieve structural balance in 2015. The County will remain in budgetary balance despite unprecedented increases in employee pension and health insurance costs.

The County acknowledges that it continues to project a GAAP deficit (excluding other financing sources) in each year until 2015, and that the NIFA control period will likely need to extend through that time, and plans to use the transitional borrowing conditionally allowed by NIFA to substantially fund tax certiorari refunds, other judgments and settlements, and termination payments until it can bring its operating expenditures in line with its operating revenues and produce a balanced budget (excluding other financing sources). Proceeds from these borrowings, which require approval by NIFA, do not contribute to GAAP revenues due to the accounting treatment prescribed by GAAP.

In the wake of Superstorm Sandy the County faces related expenditures in 2013 for residual debris removal, protective measures, infrastructure repair and other costs yet to be fully estimated. In accordance with an order by President Obama on May 23, 2013, eligible Superstorm Sandy expenses will qualify for 90% federal reimbursement (except for certain immediate assistance previously authorized at 100% federal reimbursement). It is uncertain if the State will assume any of the local 10% share of these expenses, but as in 2011, the State assumed all local share costs for Hurricane Irene, therefore the County is seeking 100 percent reimbursement, consistent with Hurricane Irene. The September projection does not include any anticipated hurricane related costs as they are segregated into an established FEMA Fund.

The consolidation of police precincts from eight to four initiated in FY 2012 was expected to produce administrative and operational improvements. The consolidation of the 1<sup>st</sup> precinct into the 7<sup>th</sup> precinct has been delayed after a determination that the Seaford-based 7th Precinct sustained too much damage during Superstorm Sandy to handle the merge. The administration is reconsidering options on how to best manage community policing for the south shore in a new precinct, but perhaps in a different location.

Because of the layoffs and voluntary incentive programs through 2011 and 2012, the fulltime headcount for the major funds at the end of September 2013 was 7,319 positions compared to 7,861 at the end of December 2011, representing a reduction of 542 positions. Despite these efforts the County continues to face fiscal and operational challenges in 2013 in order to balance savings with limited replacement of personnel deemed crucial to County operations.

# FISCAL 2013 THIRD QUARTER FINANCIAL REPORT

---

The projections in the tables that follow are based on headcount at the end of September 2013. The Administration has projected operating costs for police terminations of \$7.4 million. The Administration intends to bond for any additional separation costs. As of September 30, 2013, a total of 71 police separations have occurred at a cost of approximately \$17.5 million, with an additional four officers in the pipeline.

The County 2013 Adopted Budget included attrition savings of \$2.6 million, excluding uniformed members of the Police Department. The attrition savings were reflected in the Budget Department as a placeholder but have now been fully allocated and recorded in each department.

Prior to the corrective actions, the County is projecting a surplus of \$23.4 million primarily due to: fringe savings in health insurance due to a lower than anticipated composite premium rate increase, debt service savings due to delayed borrowings at lower borrowing amounts and lower rates than budgeted, a lower than anticipated number of caseloads and children served than originally contemplated in Early/Special Education, Recipient Grants and Emergency Vendor Payments, Medicaid State reform which lowered the Counties weekly Medicaid payments, and a higher rate of growth than previously anticipated for Sales Tax.

The status of the current initiatives is listed below.

Gap Prior to Corrective Actions (\$'s in millions)	23.4
Correction Officers Long-Term Disability Retirements Savings	0.2
<b>Surplus After Corrective Actions</b>	<b>23.6</b>

## EXPENDITURE RESULTS

### Salaries, Wages & Fees

Projected Salaries Expense for 2013 for the five major funds is \$792.6 million, which is \$7.9 million more than the 2013 Adopted Budget. The projected variance is primarily being driven by higher projected overtime and termination costs, the hiring of additional Police Officers and an interest arbitration award for the Investigative Police Benevolent Association collective bargaining unit (IPBA), partially offset by vacancies. For 2013, the County will continue its ongoing efforts to reduce costs.

### Headcount

The full-time headcount for the major funds as of September 30, 2013 was 7,319 positions, which represents 60 fewer employees than year-end 2012. The headcount will continue to decrease as a result of continued normal attrition and limited replacement of personnel deemed crucial to County operations. The headcount reductions represent a decrease of over 20% when compared to the number of positions in the 2009 Adopted Budget.

### Overtime

Through September 30, 2013, the Police Department incurred approximately \$40.0 million in overtime expense. OMB is projecting that the Police Department will end 2013 with \$60.0 million in overtime expense, which is \$16.0 million higher than the Adopted Budget. Through September 30, 2013, the Sheriff/Correctional Center incurred approximately \$10.8 million in overtime expense. The projection for the year assumes that the department will be essentially on budget.

### Fringe Benefits

The 2013 Adopted Budget for Employee Benefits provided for the five major funds is \$495.6 million. This includes a variety of expenses, the largest of which are employee and retiree health insurance, pensions and the County's portion of the FICA payroll tax. Including Workers Compensation, Employee Benefits for 2013 are projected to be \$485.5 million, a \$10.1 million savings from the 2013 Adopted Budget, primarily attributable to lower than budgeted health insurance costs due to lower composite based premium increases as well as a declining number of individuals on the health insurance rolls. See the selected Fringe Benefits (AB) schedules

immediately following the departmental tables for more details regarding current projections on some of the more significant fringe benefit items.

### **Contractual Services**

Projected Contractual Services Expense for 2013 for the five major funds is \$224.6 million, which is \$3.4 million more than the 2013 Adopted Budget. A deficit is projected primarily due to the restoration of funding to Human Services for Chemical Dependency, Mental Health and Youth Board programs agreed upon by the Nassau County Legislature as well as higher contractual costs associated with the County's Red Light Camera Program.

### **Interest & Principal**

OMB projects Debt Service Expenses to be \$134.0 million, a \$14.0 million surplus when compared with the 2013 Adopted Budget amount of \$148.0 million. The surplus is primarily attributable to delayed borrowings at lower than planned borrowing amounts and lower interest rates.

### **Early Intervention/Special Education**

OMB projects Early Intervention/Special Education to be \$154.9 million, a \$15.1 million surplus when compared with the 2013 Adopted Budget amount of \$170.0 million. The surplus is primarily attributable to a lower than anticipated number of caseloads and children served than originally contemplated.

### **Recipient Grants**

OMB projects Recipient Grants to be \$60.6 million, a \$6.6 million surplus when compared with the 2013 Adopted Budget amount of \$67.2 million. The surplus is primarily attributable to a lower than anticipated number of caseloads under the Temporary Assistance for Needy Families, Safety Net and Foster Care programs.

### **Purchased Services**

OMB projects Purchased Services to be \$64.7 million, a \$5.4 million shortfall when compared with the 2013 Adopted Budget amount of \$59.3 million primarily attributable to a higher than anticipated volume of daycare caseloads.

### **Emergency Vendor Payments**

OMB projects Emergency Vendor Payments to be \$51.2 million, a \$11.2 million surplus when compared with the 2013 Adopted Budget amount of \$62.4 million. The surplus is projected primarily due to a lower number of caseloads under the Temporary Assistance for Needy Families, Safety Net, Institutional Care, Juvenile Delinquent and People in need of Supervision programs.

### **Medicaid**

OMB projects Medicaid to be \$250.8 million, a \$2.3 million surplus when compared with the 2013 Adopted Budget amount of \$253.1 million. A surplus is projected due to a reduction from New York State for the county's required weekly Medicaid payments in connection with the New York State Mandate Relief Program effective April 1, 2013.

### REVENUE RESULTS

#### Permits and Licenses

OMB projects Permits and Licenses to be \$15.2 million, which is a surplus when compared to the \$13.7 million in the 2013 Adopted Budget primarily due to an increase in the number of alarm permits issued or renewed and fees associated with home improvement licenses, partially offset by lower projected fees for road opening permits, and lower than anticipated number of permits for food establishments.

#### Fine and Forfeits

OMB projects Fines and Forfeits to be \$63.7 million, which is a surplus when compared to the \$62.5 million in the 2013 Adopted Budget primarily due higher Red Light Camera Program fees, partially offset by lower traffic, parking and criminal fines and a lower than anticipated number of Alarm Fines imposed by the Police Department.

#### Investment Income

OMB projects Investment Income to be \$1.9 million, which is lower than the \$3.1 million in the 2013 Adopted Budget. The shortfall is attributable to a lower than anticipated investment earnings rate than was budgeted.

#### Rents and Recoveries

OMB projects Rents & Recoveries to be \$25.8 million, which is \$1.7 million lower than the \$27.5 million in the 2013 Adopted Budget. A shortfall is projected due to the reversal, in the Budget Department, of the reserve for prior year disencumbrances; these amounts are currently being projected in the corresponding departments. Another contributing factor is the elimination of funding received in the Correctional Center through a Grant.

#### Department Revenues

OMB projects Department Revenues to be \$8.3 million lower than the \$178.2 million in the 2013 Adopted Budget primarily due to a lower than anticipated influx of inmates as a result of a directive from the Department of Homeland Security to release undocumented immigrants being incarcerated, delays in the implementation of Initiatives for Tax Map Fee Verification, lower

than anticipated attendance at County Parks, lower Tow Truck Franchise fees, lower than anticipated collections for Child Support payments and lower fees associated with a web based procurement system. These unfavorable items are partially offset by an increase in Clerk fees that are trending higher than anticipated.

### **Capital Resources for Debt**

OMB projects Capital Resources for Debt to be \$2.1 million higher than the \$27.4 million in the 2013 Adopted Budget primarily due to better rates than projected for the February 2013 borrowing issue.

### **Federal Aid**

OMB projects Federal Aid to be \$17.3 million lower than the \$156.1 million in the 2013 Adopted Budget primarily due to lower salary expense reimbursements and various direct assistance program caseloads in Social Services and a lower than anticipated Federal Inmate population at the County's Correctional facility. This also includes the reversal of receivables in relation to American Recovery and Reinvestment Act (ARRA) funds under the Federal Medicaid Assistance Payment (FMAP) program that did not come to fruition as a result of the NY State Fiscal Year 2011-2012 Medicaid Local Share Cap reconciliation.

### **State Aid**

OMB projects State Aid to be \$16.6 million lower than the \$232.4 million in the 2013 Adopted Budget primarily due to lower reimbursable expenses in connection with county provided Early Intervention/Special Education services and a decrease in Safety Net caseloads in Social Services.

### **Sales Tax**

OMB projects Sales Tax to be \$25.0 million higher than the \$1,121.2 million in the 2013 Adopted Budget due to a higher rate of growth than previously anticipated.

Please note that these figures are estimated based on our 2013 budget submitted to the NYS Gaming Commission Board. These figures will be reconciled to actual figures once our filings with the NYS Gaming Commission have been submitted and accepted.

**KPI REPORT 9: Tax Certiorari Report**

The County’s Assessment Review Commission (ARC) has compiled preliminary statistics as of October 1, 2013 with respect to grievances filed for the 2014/2015 tax year. Thus far, there have been 158,316 grievances filed broken down as follows:

<b>Class</b>	<b>Number of Grievances</b>
Class I Properties	136,709
Class II Properties	5,623
Class III Properties	523
Class IV Properties	15,461
<b>Total</b>	<b>158,316</b>

The joint conference program with the County Attorney’s office and ARC, implemented to increase the number of settlements is proceeding very well.

ARC has sent out a second round of residential offers of settlement totaling 27,460, all of which were to representatives of residential property owners. Through October 1, 2013, the total number of residential offers of settlement were 94,421 of which 4,000 were to petitioners representing themselves. The number of offers from previous months can decrease due to petitioners withdrawing claims or parcels that have been apportioned and no longer exist on the tax roll. ARC is currently working on sending a second round of offers to petitioners representing themselves.

ADAPT (the County’s multi-department tax certiorari case management system) is in its final adjustments phase and is expected to facilitate communication and sharing of information for the several different applicable departments and improve the swiftness of case dispositions.
