General Admission 10:00am-2:00pm

WELCOME!

Please join us for the **11th Nassau County Career & Mega Job Fair!**

Whether you are in career transition or seeking employment and a new challenge, this is the perfect opportunity to check out some of the largest employers in the Long Island Region. The event is proudly sponsored by the Nassau County Department of Social Services and the Nassau County Veteran Service Agency. The Job Fair will take place at the Nassau County Community College.

This year we are focusing on the following target areas: ***Information Technology, Hospitality, Health and Labor Unions***. Long Island job seekers are encouraged to come and meet recruiters and hiring managers from organizations that are actively seeking candidates for positions. Employers in these target areas can select from a talented and vibrant workforce in the Long Island area. This is a free event for job seekers. ***Advanced registration is strongly encouraged for employers as space is limited.***

For exhibitors, this event offers a wonderful setting to meet experienced local candidates for your all your job needs.

We look forward to hosting our 11th Annual Job Fair and welcoming you to great opportunities.

Thank you!

County Executive
