**Agreement for Referral:**

I agree to allow \_\_\_\_\_ to provide my referral information to the Nassau County Cribs for Kids® Program to obtain a crib for my baby. I understand that this does not guarantee that I am eligible to receive a crib. I understand that my information will be kept confidential and may be used to plan education and programs to reduce the risk of infant death. I understand that I will be contacted by the Cribs for Kids Program and its' partners in the future for follow-up. I understand that the safest place for my baby to sleep is on their back in a safety-approved crib. I am aware that this crib cannot be returned to the store for money.
