In addition, there is a summer “water theme” park with an Olympic-sized pool, two water slides, a diving pool, a “kiddie” pool, a training pool and an interactive water-play area. A mini-golf course, a nine-hole golf course, a driving range and the indoor ice-skating rink cap off the recreational facilities at Cantiague Park.

SOUTH SHORE NICKERSON BEACH PARK

Lido Beach • 880 Lido Boulevard • 516-571-7700

Nickerson Beach is one of the County’s true gems, boasting a magnificent beachfront that has undergone an extensive multimillion-dollar renovation in recent years. In 2009, Newsday praised the park as “Perfect for a family looking to let off a little steam,” citing activities ranging from beach volleyball to basketball and tennis, as well as the state-of-the-art playground. The playground is part of a seamless area known as the “Fun Zone” that also provides colorful basketball courts and a skateboard area. There are also swimming pools, picnic areas and, of course, the beach – a three-quarter-mile-long expanse of beautiful white sand and dunes. Now a new 9 Hole Pitch and Putt.

WANTAGH PARK

Wantagh • 1 King Road • 516-571-7460

This 111-acre park is one the oldest in the Nassau County parks system, and one of the most beautiful, bordered on the south by Flat Creek with the East Bay beyond. The park has several baseball and athletic fields, a large playground area, tennis and basketball courts, a 2-mile fitness trail incorporating a variety of exercise stations, and walking paths along the scenic bay. The spectacular summer “water theme” park incorporates an Olympic-size pool, two 32-foot water slides, diving, “kiddie” and training pools, and an interactive water-play area. Now a new 18 Hole Mini Golf Course.
