January, 2020	Merrick Road, Village of Freeport – Milburn Avenue to S. Ocean Avenue	New road added to 2020 Resurfacing Program
March, 2020	All “Where and When” road segments removed from webmap viewer	“Where and When” refers to roadway surface restoration in specific locations/lanes that have experienced deteriorated surface conditions to the point where standard pothole repair is not sufficient. “Where and When” resurfacing does not call for curb-to-curb resurfacing throughout the entire roadway segment(s).

Depicting “Where and When” as a solid line on the webmap was causing confusion with regard to the actual (planned) work within the road limits shown by the line on the map. Therefore, the Department of Public Works has elected to remove these line segments from the map to eliminate any potential confusion.

Roads Moved to 2021 Program (December 2020)
