

PUBLIC NOTICE OF COUNTY TREASURER'S SALE OF TAX LIENS ON REAL ESTATE

Notice is hereby given that I shall, commencing on February 18, 2020, sell at public on-line auction the tax liens on real estate herein-after described, unless the owner, mortgagee, occupant of or any other party-in-interest in such real estate shall pay to the County Treasurer by February 13, 2020 the total amount of such unpaid taxes or assessments with the interest, penalties and other expenses and charges, against the property. Such tax liens will be sold at the lowest rate of interest, not exceeding 10 per cent per six month's period, for which any person or persons shall offer to take the total amount of such unpaid taxes as defined in section 5-37.0 of the Nassau County Administrative Code. Effective with the February 18, 2020 lien sale, Ordinance No. 175-2015 requires a \$175.00 per day registration fee for each person who intends to bid at the tax lien sale. Ordinance No. 175-2015 also requires that upon the issuance of the Lien Certificate there is due from the lien buyer a Tax Certificate Issue Fee of \$20.00 per lien purchased.

Pursuant to the provisions of the Nassau County Administrative Code at the discretion of the Nassau County Treasurer the auction will be conducted online. Further information concerning the procedures for the auction is available at the website of the Nassau County Treasurer at:

<https://www.nassaucountyny.gov/526/County-Treasurer>

TERMS OF SALE

Such tax liens shall be sold subject to any and all superior tax liens of sovereignties and other municipalities and to all claims of record which the County may have thereon and subject to the provisions of the Federal and State Soldier's and Sailors' Civil Relief Acts.

However, such tax liens shall have priority over the County's Differential Interest Lien, representing the excess, if any, of the interest and penalty borne at the maximum rate over the interest and penalty borne at the rate at which the lien is purchased.

The Purchaser acknowledges that the tax lien(s) sold pursuant to these Terms of Sale may be subject to pending bankruptcy proceedings and/or may become subject to such proceedings which may be commenced during the period in which a lien is held by a successful bidder or the assignee of same, which

may modify a Purchaser's rights with respect to the lien(s) the property securing same. Such bankruptcy proceedings shall not affect the validity of the tax lien. In addition to being subject to pending bankruptcy proceedings and/or the Federal and State Soldiers' and Sailors' Civil Relief Acts, said purchaser's right of foreclosure may be affected by the Financial Institutions Reform, Recovery and Enforcement Act (FIRREA), 12 U.S.C. ss 1811 et. seq., with regard to real property under Federal Deposit Insurance Corporation (FDIC) receivership.

The County Treasurer reserves the right, without further notice and at any time, to withdraw from sale any of the parcels of land or premises herein listed.

The rate of interest and penalty which any person purchases the tax lien shall be established by his bid. Each purchaser, immediately after the sale thereof, shall pay to the County Treasurer ten per cent of the amount from which the tax liens have been sold and the remaining ninety per cent within thirty days after such sale. If the purchaser at the tax sale shall fail to pay the remaining ninety per cent within ten days after he has been notified by the County Treasurer that the certificates of sale are ready for delivery, then all deposited with the County Treasurer including but not limited to the ten per cent theretofore paid by him shall, without further notice or demand, be irrevocably forfeited by the purchaser and shall be retained by the County Treasurer as liquidated damages and the agreement to purchase be of no further effect.

Time is of the essence in this sale. This sale is held pursuant to the Nassau County Administrative Code and interested parties are referred to such Code for additional information as to terms of sale, rights of purchasers, maximum rates of interest and other legal incidents of the sale.

Furthermore, as to the bidding,

1. The bidder(s) agree that they will not work with any other bidder(s) to increase, maintain or stabilize interest rates or collaborate with any other bidder(s) to gain an unfair competitive advantage in the random number generator in the event of a tie bid(s) on a tax certificate. Bidder(s) further agree not to employ any bidding strategy designed to create an unfair competitive advantage in the tiebreaking process in the upcoming tax sale nor work with any other bidder(s) to engage in any bidding strategy

that will result in a rotational award of tax certificates.

2. The tax certificate(s) the Bidder will bid upon, and the interest rate(s) bid, will be arrived at independently and without direct or indirect consultation, communication or agreement with any other bidder and that the tax certificate(s) the Bidder will bid upon, and the interest rate(s) to be bid, have not been disclosed, directly or indirectly, to any other bidder, and will not be disclosed, directly or indirectly, to any other bidder prior to the close of bidding. No attempt has been made or will be made to, directly or indirectly, induce any other bidder to refrain from bidding on any tax certificate, to submit complementary bids, or to submit bids at specific interest rates.

3. The bids to be placed by the Bidder will be made in good faith and not pursuant to any direct or indirect, agreement or discussion with, or inducement from, any other bidder to submit a complementary or other noncompetitive bid.

4. If it is determined that the bidder(s) have violated any of these bid requirements then their bid shall be voided and if they were the successful bidder the lien and any deposits made, in connection with, said bid shall be forfeited.
