

Legislator Kevan Abrahams **TRUNK OR TREAT** **COVID-19 SAFETY GUIDE**

COVID-19 Safe Trick or Treating

WHEN YOU ENTER

Sanitize and Temperature Check

- Your Temperature will be taken and recorded upon entrance.
- We will gently pump sanitizer into your hands.
- Masks and Gloves **MUST BE WORN AT ALL TIMES**. You're encouraged to make your PPE mask part of your costume.
- No more than 50 people can occupy the space at a time.
- Masks and Gloves will be available if needed.

REGISTERED VEHICLES

Decorate On-site and Safe Candy Giving

- Registered vehicles **MUST** decorate on site wearing a mask and gloves! Trunks must be set-up by 11:45 AM.
- No more than 30 cars are allowed to register.
- Each car will have one vacant parking space next to them to ensure social distancing.
- Each registered car will be given a 'Candy Dropper' to distribute candy to trunk or treaters. All candies must be individually sealed from the manufacturer. All candies must be packaged on-site into personal goodie bags.

THINGS TO KEEP IN MIND

Social Distance! Social Distance!

- Stay 6 feet away from others who do not live with you. Social distance markers will be posted so please be mindful.
- **MASKS & GLOVES MUST BE KEPT ON AT ALL TIMES!** If you do not have a mask or gloves, one can be provided to you.
- No more than 50 people are permitted in the parking lot at a time. If an area becomes congested, please move to the next trunk or exit so more children can participate.
- Due to COVID, you must exit the premises after trunk or treating.
