3. List below amounts for any compensation paid or owed to the lobbyist during
the period for the purposes of lobbying. Such amounts shall be detailed as to
amount, to whom paid and for what purpose. *(NOTE: The individuals and entity
referred to in this report lobby both the State and the County. The Lobbyist
Registration Form filed with the State reflects that. However, question 9 of this
form refers to "lobbying activity conducted, or to be conducted, in Nassau
County." I am, therefore, making the assumption that the amounts referred to in
question 3 also relate to lobbying activities conducted in Nassau County. I am*

making the further reasonable assumption that the College employees' lobbying activities are split evenly between the County and the State.
