Boost Nassau Household Assistance Program Grants

Coming as soon as the County Legislature approves!

The COVID-19 pandemic has had a broad financial impact on many of Nassau's residents and County Executive Laura Curran is committed to assisting those living in our community.

The County will allocate federal funds from the American Rescue Plan to create the Boost Nassau Household Assistance Program.

As soon as the Legislature approves the funds, we will invite you to apply for a one-time grant to support your household's recovery.

Please contact your legislator and urge them to approve these payments. CLICK HERE (https://lrv.nassaucountyny.gov/mni/) to find out who your legislator is and how to contact them.

One application per household will be allowed.

Start Gathering Your Documents

Use of federal funds will require the collection of specific information in the application, including information about your residence, bills, and income.

While we await Legislative approval, please use this time to become familiar with the proposed program and the documents we expect to be required in the application process, as outlined below:
