- * 2. Coordinates and supervises activities of State and County agencies participating in substance abuse treatment programs.
- 3. Acts as a consultant to other agencies and to the public regarding substance abuse medical issues.
- 4. Prepares reports of medical examinations, and maintains pertinent records.

*ADA ESSENTIAL FUNCTIONS

FULL PERFORMANCE KNOWLEDGES, SKILLS, AND ABILITIES

1. Thorough knowledge of the principles and practices of medicine.
2. Thorough knowledge of the principles and practices of treatment of drug abusers.
3. Ability to exercise sound professional judgment.
4. Ability to establish and maintain effective working relationships with patients, subordinates, and associates.
5. Ability to express oneself effectively, both orally and in writing.

MINIMUM QUALIFICATIONS

Training and Experience

Continuing possession of a license to practice medicine in New York State and

One year of experience as a physician in a methadone maintenance clinic.

All medical directors, whether full-time or part-time, other than medical directors in place as of the effective date of this regulation, must hold a board certification in addiction medicine from a certifying entity appropriate to their primary or specialty board certification.

Physicians may be hired as probationary medical directors if not so certified but must obtain certification within four (4) years of being hired. In addition, the medical director must have a federal DATA 2000 waiver (buprenorphine-certified), or if hired after the effective date of this regulation, must obtain such waiver within six (6) months of employment.

For consideration, please send resume and cover letter to: jobs@nassaucountyny.gov, with "MDMMS" on subject line.

Salary Range: \$170K - \$194K
