

SWIM LESSON/AQUATIC FITNESS

REGISTRATION INSTRUCTIONS

Registration will start on **Sunday, November 21 at 9am**. Registration will be online only for the first 24 hours. Both online and “in person” registration will be available starting Monday, Nov. 22 at 9am. Online registration is strongly encouraged and all registration will end one week after classes start.

Account access:

Visit: <https://secure.rec1.com/NY/nassau-county-ny/catalog> and go to “Login/create account”.

First time login in process:

- Enter your e-mail as your user name. (if your e-mail is not recognized, see the “important” section below)
- Click on “forgot password?” and you will then get an e-mail to set your password and log in

Please do not create a new accountbefore checking to see if you already have an account. You will already have an account if you did business at one of the Nassau County Parks facilities (not just the Aquatic Center) and previously purchased something requiring your name and address, for instance.....a Leisure Pass, swim lesson, facility memberships, summer rec program, ice skating session, cabana lottery, etc.

Important – You can only access your online account if your e-mail was entered into the system at the time of any previous purchase. If your e-mail is not recognized at time of log-in, it probably means your e-mail was not entered previously. If so, please call 572-0501 and we can enter it. Again, **please do not create a new account** unless you are certain you’ve never done business with our Nassau County Parks system before.

Registration process once logged in:

- Children’s names and dates of birth can be added through the “Accounts” page. Do not register classes under the parents name as age restrictions will block you from finishing.
- Swim lesson selections can be found under the “Catalog” button and then on the “Aquatic Center Main Pool” location. You can register and pay at this area of the website.
- If you have a credit in the system, it can be seen on your accounts page. You should not be creating a new account if you have a credit from 2020. You will already have an account.

Proper class selection:

If you are unsure what class your child should enter, we will offer a day where you may call in and get the proper swim level your child should register into. This will be on Saturday, November 20 between 9a-5p. Please call 572-0521 and ask for Rob or Gail. Messages will not be returned. Please call until you get a live person on the phone. If you place your child in the wrong class, whether by age or by level, your child cannot take the class and no credits or class transfers will be granted.

Age Restrictions:

Infant/Toddler classes: ages 6 mos. – 36 months (each child must be accompanied in the water by an adult)

Pre School Levels 1-3: ages 3 – 5 years

Levels 1-6: ages 6 and over
