CUB SCOUT ADVENTURES & MERIT BADGE PROGRAMS

LIONS

MOUNTAIN LION *(Lion Required Adventure)*

What do you need on an outdoor adventure? Learn SAW principles and buddy system as we explore the plants and animals of our nature preserve!

TIGERS

MY TIGER JUNGLE *(Tiger Required Adventure)*

Tigers are introduced to sights and sounds, plants, birds, and other animals of our natural world. Scouts will also make their own birdhouse using recycled materials.

TIGERS IN THE WILD *(Tiger Required Adventure)*

Plan and prepare for a short hike in the woods. Listen and learn the Outdoor Code and Leave No Trace Principles for Kids. Search for evidence of animals and learn about some interesting trees and plants!

WOLVES & BEARS

CALL OF THE WILD *(Wolf Required Adventure)*

Wolves will learn how to prepare for the outdoors including possible weather changes, what to do if natural disasters strike, how to tie knots, and more!

PAWS ON THE PATH *(Wolf Required Adventure)*

Be sure to dress for the weather for our 1-mile hiking adventure as we explore birds, insects, animals & more!

DIGGING IN THE PAST *(Wolf Elective Adventure)*

Discover the world of dinosaurs! Play a matching game, create an imaginary dinosaur, make a "fossil" craft and be a paleontologist as you participate in our Dino Dig!

FUR, FEATHERS, AND FERNS

(Bear Required Adventure)

Partake in a 1-mile hike around our nature preserve as we explore the varied plant and animal life, learn about composting, endangered animals and much more!

WEBELOS & ARROW OF LIGHT

WEBELOS WALKABOUT

(Webelos Required Adventure)

Plan for a 3-mile hike throughout our nature preserve! Learn about first aid, Outdoor Code, Leave No Trace principles, and poisonous plants and dangerous animals. Prepare & bring a healthy snack and water!

EARTH ROCKS!

(Webelos & Arrow of Light Elective Adventure)

Experience our fascinating local geology! Learn how to identify minerals in rocks, geological building materials, Moh's scale of hardness, and take a trip to our natural rocky beach! (Must be scheduled with 3 hours of low tide)

INTO THE WILD

(Webelos & Arrow of Light Elective Adventure)

Explore the intertidal zone as we discover the plants and animals that inhabit this unique environment. (Must be scheduled within 2 hours of low tide)

INTO THE WOODS

(Webelos & Arrow of Light Elective Adventure)

Learn all about trees as we explore the woods of our preserve! Determine age of trees, common items made from wood, different parts of a tree and much more!
