Comment: After going to the town hall meeting I was appalled by the way the maps were drawn. Everyone in Nassau should have Representation and a voice. The new maps seem to silence certain areas and gives people little to no Representation. I heard of Ms. Dorothy Goosby and the work she did and does for her community. When the maps were drawn up she was pushed out. That to me was unbelievable. A woman like her doing all that work for her community is a treasure. Shame on the way the maps were drawn up. I would honestly think that the Republicans of Nassau county would get a clue from the Republicans in Washington to do a a better job then what we are seeing in Washington. What a disgrace Nassau county Republicans pit up a candidate that they didn't check out. George Santos is a stain on the County. We are a laughing stock of the world. Republicans need to do a better job be fair and worry about there constituents not power and money.
