#### **21-18.3.1 Waiver from Item Pricing**

- (a) Every person, store, firm, partnership, corporation, or association which uses a computer-assisted checkout system and which would otherwise be required to item price as provided in section 21-18.2 of this Title may make an application in writing to the Commissioner for a waiver of said item pricing requirement. A

separate application shall be required for each store. Each application shall be subject to a non-refundable waiver fee based upon the retail square footage of each store as set forth according to the following schedule:

<u>Store Size – (Retail Square Footage)</u>	<u>Waiver Fee</u>
Under 3,000 sq. ft.	\$ 600.00
Between 3,001 and 10,000 sq. ft.	\$ 1,200.00
Between 10,001 and 30,000 sq. ft.	\$ 3,600.00
Between 30,001 and 60,000 sq. ft.	\$ 6,000.00
Between 60,001 and 90,000 sq. ft.	\$12,000.00
Over 90,000 sq. ft.	\$16,000.00

- (b) Waiver applications and the required fee must be received at the Office of Consumer Affairs on or before May 1, 2003, and on or before each May 1, thereafter. Stores that fail to comply will be subject to §21-18.2 of this code. New stores or establishments which did not previously hold waivers may apply after the May 1 deadline and the application fee and the length of waiver will be prorated accordingly.
- (c) Upon receipt of an application and fee as provided in subsection (a) of this section, the Commissioner shall cause to be conducted two scanner accuracy inspections of the store for which the application has been submitted. These inspections shall be conducted on two separate days, and in the manner prescribed by the Commissioner. At stores with a retail area in excess of 20,000 square feet a minimum of 100 items shall be checked at each inspection. At stores with a retail area of 20,000 square feet or less a minimum of 50 items shall be checked. If, considering both inspections together, the number of stock keeping units found to be in violation does not exceed two percent of all those stock keeping units inspected, the Commissioner shall grant to the applicant a one year revocable waiver from the item pricing requirement. Any store with a current waiver shall be exempt from the requirements of §21-18.2 of this code.
- (d) A waiver from item pricing shall be valid for a period of one year from the date of issuance. Stores must reapply annually for renewal of waiver at the rates established in subsection (a) of this section. The waiver fee and two inspections shall be required for each annual renewal application, as required for an original waiver application.
- (e) In the event that total violations in excess of two percent are discovered in the inspections provided for herein, the Commissioner shall not grant a waiver to the applicant. Such a store may reapply for a waiver and pay an additional waiver fee equal to one-half of the initial waiver fee to the Commissioner within five business days after being notified of the failure. Stores which do not reapply must be in compliance with all the requirements of this code within thirty days from the date of failure.
- (f) In the event that the Commissioner is unable to conduct inspections pursuant to subsection (c) of this section within ninety days of receipt of a complete waiver application and proper waiver fee, the Commissioner shall grant a temporary waiver pending completion of the inspections. The Commissioner shall cause said inspections to be completed as soon as practicable. If, upon completion, the inspections detect a violation rate of less than two percent, the Commissioner shall issue a regular waiver with an expiration date one year from the date of the

temporary waiver. If the inspections detect a violation rate in excess of two percent, the temporary waiver shall be immediately revoked and the provisions of subsection (e) shall apply.

- (g) As a condition of the waiver from item pricing pursuant to this section, each store which accepts a waiver must agree to meet the following requirements, and no regular or temporary waiver shall be granted to a store which has not agreed to these requirements in writing:

(i) The store shall designate and make available price check scanners to enable consumers to confirm the price of the stock keeping item. These price check scanners shall be in locations convenient to consumers with signs of sufficient sized lettering to identify the units to the consumers. The number of price check scanners shall be dependent on the stores areas as follows:

(iii) The store shall make prompt payment to consumers who have been overcharged and shall correct all pricing errors identified by consumers.

(iv) Stores must have a shelf price for each stock keeping item which is visible to the consumer and which is located directly under the item on the shelf where the item is displayed; or if the item is not conspicuously visible to the consumer, by a sign or list conspicuously placed near the point of procurement.

- (h) The Commissioner may revoke a waiver from item pricing for any of the following reasons:
- (i) Failure to comply with any provisions of this code;
  - (ii) Deliberate overcharging of any consumer;
  - (iii) Material misrepresentation in the application for a waiver.

(Added by Local Law No. 20-2002, in effect November 15, 2002.
