

Dear Contractors:

If you are requesting an upgrade to your Nassau County Home Improvement License, the following information is required:

1. A signed letter by owner requesting the specific type of work. No home remodeling, home improvement, general contracting, new construction or renovations. Fill out attached scope of work sheet.
2. Five years recent relevant and verifiable experience. (ex. W2 or 1099 forms that show type of work or a home improvement license elsewhere for the additional work or one contract & notarized consumer letter from each of the last five years.)
3. A current certificate of liability insurance with DCA as the certificate holder. The coverage for All work must be listed in the description of operations box on the certificate of liability. If you are sub-contracting the certificate must show coverage (plumber/electric).

If you are sub-contracting other than plumbers/electric, the following is required:

1. A list of licensed contractors.
2. Certificates of liability insurances for those companies listing your company as the certificate holder.
4. A current certificate of workman's compensation.
5. A lead (RRP) certification in an owner's name, if required.
6. A current business phone number and email address.

Submit all of the above for review.

Bank Name and Location: _____
Bank Account Number: _____

*A LICENSE WILL NOT BE ISSUED WITHOUT A VALID BUSINESS BANK ACCOUNT
