EXECUTIVE SUMMARY

Overview

The County's continued adherence to prudent fiscal management practices has resulted in consecutive year-end surpluses and the establishment of reserves, which are maintained to address existing and emerging liabilities. While doing so, the County has also reduced its current liabilities and negotiated fair and sustainable wage and benefit packages with the majority of its collective bargaining units. These achievements have earned the County four bond rating upgrades in the past two years and plaudits from each of the primary rating agencies - Standard & Poor's, Moody's and Fitch.

In 2022, S&P praised the "substantial improvement in available reserves, reduction in previous pension deferrals, and settlement of a labor longevity pay liability." Earlier this year, Moody's noted that the County has "continued strengthening [its] financial position and liquidity [and] has managed to eliminate a number of large liabilities over the past two years, improving financial flexibility moving forward." Fitch also stated that its rating upgrade "reflect[s] a multi-year trend of significantly improved budgeting practices and reserve balances that improve the county's capacity to address future cyclical challenges." Fitch continued that it "believes that the county is

positioned to maintain its recent progress through the multi-year, structurally balanced fiscal plan through 2026 and beyond."

These bond rating upgrades provide an independent assessment of the County's financial health and have a practical impact on the County's finances. With the Federal Reserve increasing interest rates to combat inflation, the improved ratings help to mitigate the cost of borrowing for infrastructure projects and other capital spending.

The FY2024 Budget provides for additional bus services, early intervention and pre-school special education services, and increased day care and safety net expenses. Moreover, the FY2024 Budget includes the estimated impact of collective bargaining with the CSEA. The estimated impact is consistent with the pattern established under the previously ratified agreements and includes adjustments retroactive to the expiration of the previous contract. Finally, the County continues to allocate operating funds to settle tax certiorari claims and other litigation.

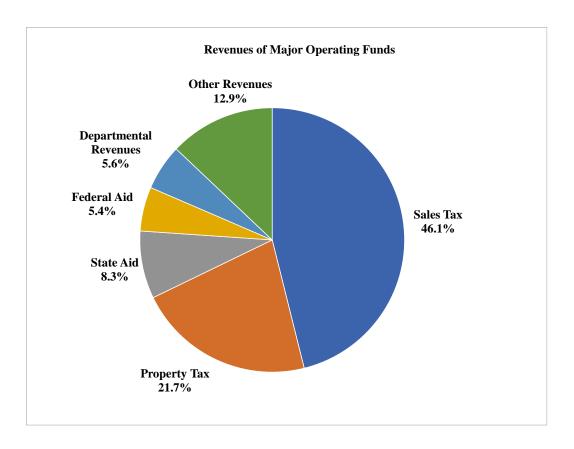

The FY2024 Budget provides County residents and businesses with the quality services they demand and deserve with no increase in property taxes which follows last year's action to eliminate \$150 million of planned tax increases. Although inflation is a continuing concern, the local unemployment rate remains low and consumer spending has not abated.

Recognizing that there are challenges in the economy, the County has included a contingency reserve for FY2024, and will continue to monitor expense growth and react to changes in the local economy to maintain balance between expenses and revenues.

REVENUE

The total revenue projection for FY2024 is \$4.1 billion. The County receives limited support from the State and Federal Governments to support its operations. County-generated resources are the source of 86.3% of all County revenue, with the State providing 8.3% and only 5.4% coming from federal agencies.

Federal Aid

Federal Aid to Nassau County operations has, on the whole, remained flat. However, in FY2024, the County is forecasting an increase in revenue commensurate with the increased cost of Social Service programs that receive partial reimbursement from federal sources.

2024	\$188	\$20

The American Rescue Plan Act has provided the County with Local Fiscal Recovery Funds totaling \$385 million. The administration has proposed to use up to \$247 million under the revenue replacement category.

We will work with our partners in Albany, NY and Washington, DC to ensure Nassau County receives its fair share of Federal funding.

State Aid

State funding to Nassau County has increased in recent years. The increase in 2021 represented a return to the pre-pandemic level of support, whereas 2022 through 2024 is due largely to an increase in State Operating Assistance (STOA) for mass transit bus services.

County Revenues

The County's \$3.0 billion of County-generated revenues are composed of three main sources: Sales Tax Revenues, Property Tax Revenues, and Fees.

\$ in Billions

Sales Tax	\$1.605
Property Tax	\$0.755
Fees	\$0.183
All Other	\$0.462
TOTAL	\$3.005

Sales Tax

Sales Tax is the largest component of County Revenue. Sales tax is remitted to the State of New York and then distributed to counties and local governments. Sales Tax is sensitive to the County's overall economy, growing in good economic times and tending to slow down when economic times are tougher.

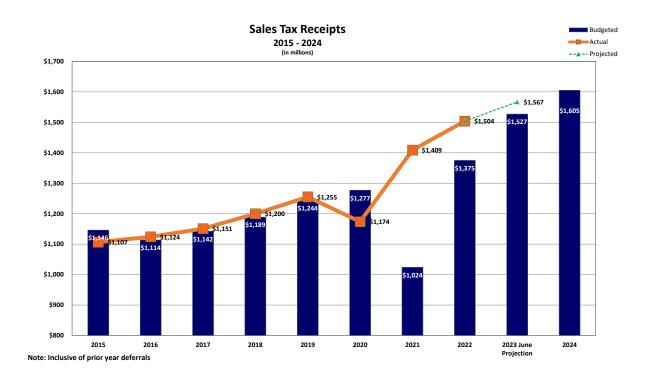

Despite inflation, consumer spending remains strong. County-wide sales tax revenues are forecast at \$1.605 billion in FY2024. This forecast uses a conservative growth rate of 1.5% over the FY2023 projection for Sales Tax.

\$ in Billions

Fiscal Year	Sales Tax	Inc/(Dec)

2022	\$1.504	\$0.095
2023	\$1.567	\$0.063
2024	\$1.605	\$0.038

We will continue to monitor Sales Tax to ensure we maintain budget balance for the upcoming year.

Property Tax

We are forecasting Property Tax in FY2024 to remain at \$755 million.

Fees

Fee revenues are dependent on the activities of County residents, and frequently depend on uncontrollable circumstances. Some fees are dependent on the weather such as greens fees at County golf courses; other fees are dependent on the level of activity among residents, including for example, Park usage fees and other services.

EXPENSES

The County's expenses are projected at \$4.1 billion in FY2024. Salaries and Wages and Fringe Benefits for employees are 49.0% of all County expenses. Direct expenses are 17.9% of County expenses, while Debt Service is 9.5% of all expenses. All other expenses including OTPS, Local Government Assistance, Utilities and Transportation are 23.6%.

The FY2024 Budget reflects the impact of collective bargaining in both the Salaries and Wages and Fringe Benefits categories. It also provides for the cost of additional bus services, early intervention and pre-school special education services, and increased day care and safety net expenses.

Debt Service

Debt Service payments have normalized after the 2021 refunding and restructuring of County and NIFA issued debt. For context, the table below shows the total Debt Service Fund expenditures adopted in FY2024 as compared to the FY2023 projection and prior year actuals.

Debt Service Fund Expenses (in millions)							
2019	2019 2020 2021 2022 2023 2024						
Actual Actual		Actual	Actual	Projected	Adopted		
\$ 380.6	\$ 319.7	\$ 148.7	\$ 159.6	\$ 300.8	\$ 331.2		

Labor Negotiations

The FY2024 Budget includes the estimated impact of the collective bargaining agreements with the CSEA and COBA, which were ratified by their respective memberships and approved by the County Legislature in the fall of 2023. The agreements are consistent with previously settled contracts and the bargaining positions the County had taken during earlier negotiations. The County has now come to agreement with all five major labor unions, providing contracts that are fiscally sustainable and respectful to the County workforce.

Additional Headcount for Improved Service and Overtime Reduction

The FY2024 Budget, as adopted, provides targeted increases in budgeted headcount to deter crime, improve service and reduce overtime. The FY2024 budgeted full time headcount is increased by 66 positions to 7,479.

The majority of the additional positions are allocated to four departments – Police, Probation, Health and Social Services.

Multi-Year Financial Plan Assumptions

The 2024–2027 Multi-Year Financial Plan includes several changes to revenue and expense assumptions to reflect the trends and challenges noted above.

Our expense assumptions include the following:

- 1. Salaries and Fringe Benefits trends follow current labor negotiations.
- 2. Tax certiorari budgeted at \$40 million in 2024 and reverts to \$30 million in out years.
- 3. Contingency reserve of \$39.4 million in 2024, \$21 million in 2025, and \$17 million in 2026.
- 4. Suits and Damages budgeted at \$45 million in 2024, \$40 million in 2025, \$35 million in 2026, and \$30 million in 2027.

Our revenue assumptions include the following:

- 1. Sales Tax in 2024 assumed growth at 1.5% from the revised FY 2023 forecast level, with a 2.0% increase in 2025, and a 2.5% increase in 2026 and 2027.
- 2. State Aid at 2024 Adopted budget other than expense driven reimbursement growth.
- 3. Federal Aid forecasted at 2024 Adopted Budget amount with an adjustment for transportation funding and expense driven reimbursement growth.
- 4. Departmental Revenue at 2024 Adopted Budget except for Real Estate market-related revenue which is forecast to improve in out years and expected increases in the Revenue from Income and Expense Law.
- 5. All Other Revenues at 2024 Adopted Budget.

Discussion of the Current Financial Outlook

The County's Fiscal 2024-2027 Multi-Year Financial Plan is structurally balanced with no gaps; therefore, no discussion of a gap closing plan is required. In spite of adverse conditions brought on by the Covid-19 pandemic and inflation, the County has produced successive surpluses which demonstrates the strength of its improved fiscal position. Nevertheless, the County continues to monitor the unstable economy and will take corrective actions to maintain budget balance.

The factors contributing to the improved financial conditions are the result of most revenue sources recovering to pre-pandemic levels. Sales tax collections are outperforming the estimates used for the 2023 Adopted Budget. As of Sept 12th, collections are trending 3.3% above the 2022 actuals for the same period.

The County remains focused on expenditure control to maintain balance between expenses and revenues. The most effective tool is management of vacancies followed by negotiating fair and sustainable collective bargaining agreements and strategic use of surplus to mitigate and reduce liabilities. The County successfully negotiated a longevity settlement that is funded through 2025. The MYP includes a contingency reserve of \$39.4 million in 2024, \$21 million in 2025 and \$17 million in 2026.

The economy still faces challenges due to inflation pressures and rising interest rates which may impact home sales and slow economic growth. Therefore, the County will seek to implement the following items to fortify the County's finances.

State Aid Mandated Cap

Nassau County pays vendors to provide preschool education for certain 0-5 year-olds in the County. The County submits a voucher to the State and obtains reimbursement for these services from the State. The current State reimbursement rate on most related expenses is 59.5%. The County portion of this mandated program has been growing with no control available to the County. We anticipate increased reimbursement being provided to account for the cost to the County.

Building Consolidation

The County's past workforce reduction has opened possibilities for centralization and downsizing of office space. The County will also realize utility and maintenance savings from better consolidated space.

Efficiency Program

The Blakeman administration will continue to seek opportunities for consolidation and realign workforce levels to ensure that the County provides essential services for all Nassau County residents in an affordable manner.

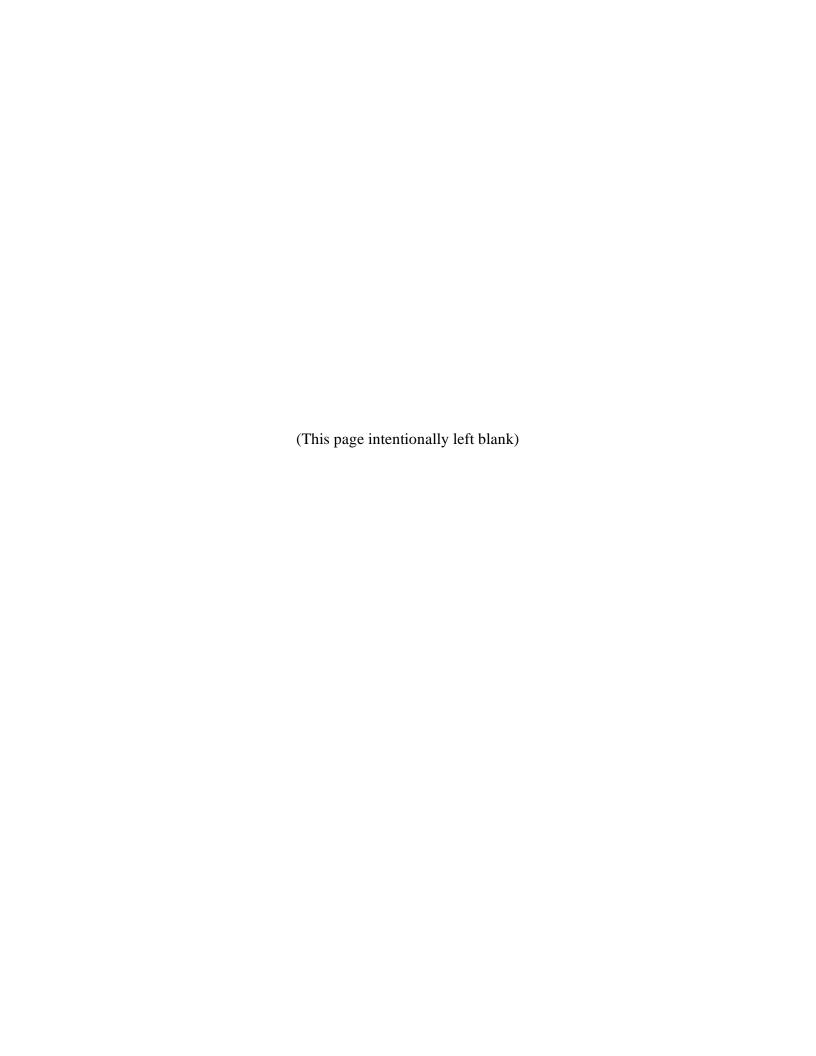

Economic Development

Nassau County has opportunities for growth especially where communities are exploring redevelopment of downtown areas. While no specific projects can be discussed at this time, it is clear that upside potential exists.

Sands Casino

In May 2023, the County reached a lease agreement with Las Vegas Sands (LVS) that gave the company control over the more than 70-acre Coliseum site. With approval of the lease agreement, which resulted in a \$54 million advance payment, the Sands Casino will begin paying an annual rent of \$5 million to the county while it awaits a state gaming license. With the issuance of the license, the annual rent would double to \$10 million. The administration intends to develop the Coliseum site into a world-class hotel, and a world-class entertainment center, that is going to be funded by a casino. This will bring jobs, economic prosperity, tax relief, and improved safety here in Nassau County. Regardless of whether LVS is granted a casino license for the location, the County will receive an annual rental amount of \$5 million and an annual amount of \$900,000 towards public safety. The licensing decision is anticipated in late 2024, or early 2025. If LVS is granted a casino license, the County has a Gaming Revenue Guarantee of \$25 million annually in addition to increases of the figures above.
