

NASSAU COUNTY DEPARTMENT OF HEALTH

July 2026

Position Available **Environmental Engineer Trainee**

The Nassau County Department of Health is seeking a candidate who possess a bachelor's degree in engineering to work in the field of environmental public health. Duties may include, but not be limited to, the review of engineering plans and specifications for the construction of: potable water supply treatment, storage, and distribution; the storage and handling of toxic and hazardous chemicals; on-site sanitary disposal systems; realty subdivision development; and public swimming pools.

Candidates must exhibit some knowledge of the principles and practices of public health engineering. Some knowledge of the chemistry and bacteriology of water, sewage, and liquid waste. Some knowledge of the relationships of environmental conditions to the spread of disease and the promotion of health. The ability to learn the application of public health engineering to laws, policies, and regulations concerning public health and the ability to prepare clear and concise reports.

Title: Public Health Engineer Trainee

Minimum Qualifications: Bachelor's degree in Engineering from a regionally accredited or New York State registered college or university and one year of Nassau County residency immediately preceding a provisional appointment which must be maintained until appointed from an eligible list established as a result of the examination.

This is a Civil Service position, which will require successfully passing a written Civil Service examination. After taking the exam, establishment of a Civil Service List and serving a minimum of one year probation, the title changes to Public Health Engineer I which includes an additional increase in salary.

NOTE: Trainee positions are subject to Rules XVII and XIX of the Nassau County Civil Service Rules in relation to term of probation.

Salary

Non-negotiable starting salary of \$52,912 per year.
After 6 months the salary increases to \$61,535 per year.
At 1 year the salary increases to \$83,128 per year.

Benefits: Full range of fringe benefits including health, dental and vision insurance; vacation, sick and personal leave; as well as a pension plan.
