RESOLVED, that pursuant to the provisions of the State Environmental Quality Review Act ("SEQRA"), 8 N.Y.E.C.L. section 0101 *et seq.* and its implementing regulations, Part 617 of 6 N.Y.C.R.R., and Section 1611 of the County Government Law of Nassau County said Project is a "Type II Action" within the meaning of Part 617.5(c) of 6 N.Y.C.R.R., and,

**AGREEMENT BETWEEN THE COUNTY OF NASSAU, NEW YORK AND
WESTBURY UNION FREE SCHOOL DISTRICT IN RELATION TO
INTERMUNICIPAL COOPERATION**

THIS AGREEMENT ("Agreement") made and dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, by and between the County of Nassau, a municipal corporation, having its principal offices at 1550 Franklin Avenue, Mineola, New York 11501 (the "County") and the Westbury Union Free School District having its principal offices at 2 Hitchcock Lane, Old Westbury, New York 11568 ("DISTRICT").

WITNESSETH:

WHEREAS, it is in the best interests of the County and the DISTRICT to share resources in the undertaking of municipal improvement projects and other purposes, as authorized by Article 5-G of the General Municipal Law ("GML") of the State of New York;

WHEREAS, each party hereto has certain resources, including equipment, personnel and financing which is available to carry out such projects and purposes;

WHEREAS, it is possible to make such resources available for mutual use when it is in the public interest;

WHEREAS, it is desirable for the County and the DISTRICT to undertake a certain project as authorized by the GML through this Agreement; and

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, the parties hereto do agree as follows:

Section 1. The County and the DISTRICT each represent that they are authorized, pursuant to Article 9, § 1 of the New York State Constitution and Article 5-G of the GML to enter into intergovernmental agreements to undertake the project, as described herein.

Section 2. The County and the DISTRICT, believing it to be in their respective best interests, do hereby authorize inter-municipal cooperation for the project as hereinafter defined.

Section 3. Under all applicable rules of public bidding and procurement, the DISTRICT will undertake a project (the "Project") to fully remove and replace the playground equipment and related items, all with a useful life of no less than five (5) years, at Powells Lane Elementary School, located at 603 Powells Lane in Westbury. The current playground is over 20 years old and in disrepair. The Project will

revitalize the community's recreational space by removing an aging, non-compliant playground and replacing it with a modern, age-appropriate play structure. The new playground will provide a safer, ADA-accessible environment that fosters essential physical, social, and cognitive development through inclusive design. This upgrade represents a vital investment in the community's well-being. The planned timeline is to have the new facility fully operational for the community's students and families by Fall 2026. The Project furthers the County's commitment to public health, safety, and social equity by modernizing vital community infrastructure. The new playground will serve as a catalyst for community wellness by encouraging physical activity, providing a secure social hub that strengthens neighborhood cohesion, and enhancing overall quality of life, fulfilling the County's mission to provide safe, sustainable, and vibrant public spaces for its residents. The DISTRICT represents and warrants that it has completed its review of the Project pursuant to the applicable provisions of the New York State Environmental Quality Review Act ("SEQRA") and has provided the County with documentations evidencing its SEQRA compliance.

Section 4. The County shall provide ONE HUNDRED FIFTY-NINE THOUSAND FIVE HUNDRED SIXTY-TWO DOLLARS AND NINETY CENTS (\$159,562.90) ("Funds") to the DISTRICT for the purchase of goods and services in connection with the Project. Payment shall be made to the DISTRICT in arrears and on a reimbursement basis and shall be contingent upon (i) the DISTRICT submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the County and/or the County Comptroller or his/her duly designated representative (the "Comptroller").

Section 5. The DISTRICT shall use these Funds solely for the Project no later than five (5) years from the execution of this Agreement. The County's role in the Project shall be limited to providing the Funds. Accordingly, the County shall have no responsibility or liability to any person or entity for any element of the Project.

Section 6. The DISTRICT shall (i) as between the County and the DISTRICT, accept full ownership, liability, and maintenance responsibilities for the Project; and (ii) grant to the County and its residents access to the Project equal to access enjoyed by residents of the DISTRICT for a period of at least five (5) years. The County shall not be obligated to contribute any funds or incur any costs or burdens associated with its use.

Section 7. Regardless of whether required by Law (as defined herein), the

DISTRICT shall, and shall cause its agents to, conduct their activities in connection with this Agreement so as not to endanger or harm any person or property. The DISTRICT shall deliver services under this Agreement in a professional manner consistent with applicable best practices. The DISTRICT shall ensure that all approvals, licenses, and certifications ("Approvals") which are necessary or appropriate are obtained.

Section 8. The County and the DISTRICT shall comply with any and all federal, state and local Laws, including those relating to conflicts of interest, discrimination, and confidentiality, in connection with their performance under this Agreement. In furtherance of the foregoing, the DISTRICT is bound by and shall comply with the terms of Appendix EE attached hereto. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

Section 9. The DISTRICT shall maintain and retain, for a period of six (6) years following the termination of this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to its individual performance under this Agreement. Such Records shall at all times be available for audit and inspection by the County Comptroller, or any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefor, and any of their duly designated representatives. The provisions of this Section shall survive termination of this Agreement.

Section 10.

- a) The DISTRICT shall be solely responsible for and shall indemnify and hold harmless the County, its officers, employees and agents ("Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorney's fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the DISTRICT or any agent of the DISTRICT in the maintenance and control of the Project undertaken pursuant to this Agreement, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same.
- b) The DISTRICT shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the DISTRICT's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties and the DISTRICT shall pay and satisfy any

judgment, decree, loss or settlement in connection therewith.

- c) The DISTRICT shall, and shall cause its agents to, cooperate with the County in connection with the investigation, defense or prosecution of any action, suit or proceeding.
- d) The provisions of this Section shall survive termination of this Agreement.

Section 11. Nothing contained herein shall be construed to create an employment or principal-agent relationship, or a partnership or joint venture, between the County and any officer, employee, servant, agent or independent contractor of the DISTRICT, or between the DISTRICT and any officer, employee, servant, agent or independent contractor of the County, and neither party shall have the right, power or authority to obligate or bind the other in any manner whatsoever.

Section 12. Notwithstanding any other provision of this Agreement:

- a) Approval and Execution. The County shall have no liability under this Agreement (including any extension or other amendments of this Agreement) to any person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive or his/her designee.
- b) Availability of Funds. The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

Section 13. This Agreement represents the full and entire understanding and agreement between the County and the DISTRICT with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

Section 14.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- a. The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- b. At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- c. The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- d. The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

- e. The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- f. Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- g. Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- h. At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- i. In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- j. Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- k. A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts

to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

1. The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
 - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
 - b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
 - c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").
- m. The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by

the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be

included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry customs and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final

determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

POLICY

No. 6700-R

Title: PURCHAING REGULATIONS

WESTBURY UNION FREE SCHOOL DISTRICT

The following sets forth the procedures for the procurement of goods and services by the District:

I. Definitions

Best value: optimizing quality, cost and efficiency. The basis for best value shall reflect, whenever possible, objective and quantifiable analysis, and may also take into consideration small businesses or certified minority- or women-owned businesses as defined in State Finance Law §163.

Purchase Contract: a contract involving the acquisition of commodities, materials, supplies or equipment
Public Work Contract: a contract involving services, labor or construction

II. General Municipal Law

The General Municipal Law requires that purchase contracts for materials, equipment and supplies involving an estimated annual expenditure exceeding \$20,000 and public work contracts involving an expenditure of more than \$35,000 will be awarded only after responsible bids have been received in response to a public advertisement soliciting formal bids. Similar procurements to be made in a fiscal year will be grouped together for the purpose of determining whether a particular item must be bid.

III. Competitive Bidding Required

A. *Method of Determining Whether Procurement is Subject to Competitive Bidding*

1. The District will first determine if the proposed procurement is a purchase contract or a contract for public work.
2. If the procurement is either a purchase contract or a contract for public work, the District will then determine whether the amount of the procurement is above the applicable monetary threshold as set forth above.
3. The District will also determine whether any exceptions to the competitive bidding requirements (as set forth below) exist.
4. All advertised bids shall include the following statement required by General Municipal Law 103-g: "By submission of this bid, each bidder and each person signing on behalf of any bidder certifies, and in the case of a joint bid each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each bidder is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the state finance law."

B. Contract Combining Professional Services and Purchase

In the event that a contract combines the provision of professional services and a purchase, the District, in determining the appropriate monetary threshold criteria to apply to the contract, will determine whether the professional service or the purchase is the predominant part of the transaction.

C. Opening and Recording Bids; Awarding Contracts

The Purchasing Agent will be authorized to open and record bids. Contracts will be awarded to the lowest responsible bidder or a purchase contract bid of best value (as recommended by the Purchasing Agent), who has furnished the required security after responding to an advertisement for sealed bids. In order to be considered a responsible bidder, entities must certify that they are not on the list created and maintained by the State Office of General Services cataloging significant investment in the Iranian energy sector. Such statement may be submitted electronically pursuant to General Municipal Law §103(1). Additional factors may be considered by the District in determining whether a bidder is responsible, including without limitation the bidder's skill, judgment, integrity and prior dealings with the District.

Entities that cannot make this certification may only be awarded the bid if:

1. The entity's investment activities in Iran were made before April 12, 2012; the investment activities in Iran have not been expanded or renewed after that date; and the entity has adopted, publicized, and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or
2. The District makes a determination, in writing that the goods or services are necessary for the District to perform its functions and that, absent such an exemption, the District would be unable to obtain the goods or services for which the contract is offered.

D. Documentation of Competitive Bids

The District will maintain proper written documentation which will set forth the method in which it determined whether the procurement is a purchase or a public work contract.

E. Purchase of Instructional Materials

In accordance with Education Law the District shall give a preference in the purchase of instructional materials to vendors who agree to provide materials in alternative formats (i.e., any medium or format for the presentation of instructional materials, other than a traditional print textbook, that is needed as a accommodation for a disabled student enrolled in the District, including but not limited to Braille, large print, open and closed captioned, audio or an electronic file in an approved format.) The District will establish and follow a plan to ensure that every student with a disability who needs his or her instructional materials in an alternative format will receive those materials at the same time that they are available to non-disabled students.

F. Leases of Personal Property

In addition to the above-mentioned competitive bidding requirements, section 1725 of the Education Law requires that the District will be subject to competitive bidding requirements for purchase contracts when it enters into a lease of personal property.

Documentation: The District will maintain written documentation such as quotes, cost-benefit analysis of leasing versus purchasing, etc.

G. Environmentally-Sensitive Cleaning and Maintenance Products

The District will purchase and utilize environmentally sensitive cleaning and maintenance products whenever feasible. The purchasing agent will consult with the Green Guidelines provided by the Office of General Services.

Any legal issues regarding the applicability of competitive bidding requirements will be presented to the school attorney for review.

IV. Exceptions to Competitive Bidding Requirements

The District will not be subject to competitive bidding requirements when the Board of Education, in its discretion, determines that one of the following situations exists:

1. emergency situations where:

- a. the situation arises out of an accident or unforeseen occurrence or condition;
- b. a District building, property, or the life, health, or safety of an individual on District property is affected; or
- c. the situation requires immediate action which cannot await competitive bidding.

However, when the Board passes a resolution that an emergency situation exists, the District will make purchases at the lowest possible costs, seeking competition by informal solicitation of quotes or otherwise, to the extent practicable under the circumstances.

Documentation: The District will maintain records of verbal (or written) quotes, as appropriate:

2. when the District purchases surplus or second-hand supplies, materials or equipment from the federal or state governments or from any other political subdivision or public benefit corporation within the state.

Documentation: The District will maintain market price comparisons (verbal or written quotes) and the name of the government entity;

3. when the Board separately purchases eggs, livestock, fish and dairy products (other than milk), juice, grains and species of fresh fruits and vegetables directly from producers or growers. The amount expended in any fiscal year by the District may not exceed an amount equal to seventy-five cents multiplied by the number of days in the school year multiplied by the total enrollment of the District.

Documentation: The District will maintain documentation consistent with sections 114.3 of the Regulations of the Commissioner of Education;

4. when the Board separately purchases milk directly from licensed milk processors employing less than forty (40) people. The amount expended in any fiscal year by the District may not exceed an amount equal to twenty-five cents multiplied by the number of days in the school year multiplied by the total enrollment of the District or exceed the current market price.

Documentation: The District will maintain documentation consistent with section 114.4 of the Regulations of the Commissioner of Education;

5. when the District purchases goods, supplies and services from municipal hospitals under joint contracts and arrangements entered into pursuant to section 2803-a of the Public Health Law.

Documentation: The District will maintain the legal authorization, Board authorization and market price comparisons; or

6. when there is only one possible source from which to procure goods or services required in the public interest.

Documentation: The District will maintain written documentation of the unique benefits of the item or service purchased as compared to other items or services available in the marketplace; that no other item or service provides substantially equivalent or similar benefits; and that, considering the benefits received, the cost of the item or service is reasonable, when compared to conventional methods. In addition, the documentation will provide that there is no possibility of competition for the procurement of the goods.

7. when the District purchases professional services that require special skill or training, such as but not limited to, audit, medical, legal or insurance services, or property appraisals.

Documentation: The District will keep proper documentation in accordance with policy 6741.

8. Geographic Preference Option for the Procurement of Unprocessed Agricultural Products in Child Nutrition Programs

Documentation: The District will maintain written documentation of the unique benefits of the item or service purchased as compared to other items or services available in the marketplace; that no other item or service provides substantially equivalent or similar benefits; and that, considering the benefits received, the cost of the item or service is reasonable, when compared to conventional methods. In addition, the documentation will provide that there is no possibility of competition for the procurement of the goods.

V. Quotes When Competitive Bidding Not Required

Goods and services which are not required by law to be procured by the District through competitive bidding will be procured in a manner so as to ensure the prudent and economical use of public monies in the best interests of the taxpayers. Alternative proposals or quotations will be secured by requests for proposals, written or verbal quotations or any other appropriate method of procurement, as set forth below.

A. Methods of Documentation

1. Verbal Quotations: the telephone log or other record will set forth, at a minimum, the date, item or service desired, price quoted, name of vendor, name of vendor's representative;
2. Written Quotations: vendors will provide, at a minimum, the date, description of the item or details of service to be provided, price quoted, name of contact. For example, with regard to insurance, the District will maintain documentation that will include bid advertisements, specifications and the awarding resolution. Alternatively, written or verbal quotation forms will serve as documentation if formal bidding is not required.
3. Requests for Proposals: the District will utilize RFP's to engage professional services providers in accordance with policy 6741.

B. Purchases/Public Work: Methods of Competition to be Used for Non-Bid Procurements; Documentation to be Maintained.

The District will require the following methods of competition be used and sources of documentation maintained when soliciting non-bid procurements in the most cost-effective manner possible:

1. Purchase Contracts up to \$20,000

- a. Contracts from \$3,000: Competitive price quotations are not required for purchase contracts below \$3,000. Documentation shall include a clear description of the goods or services and a valid business purpose. Purchases shall not be split or staggered to stay under the threshold.
- b. Contracts from \$3,001 to \$7,500: 2 written quotes need.
- c. Contracts from \$7,501 to \$20,000: 3 written quotes need.

2. Public Work Contracts up to \$35,000

- a. Contracts from \$1,000 to \$10,000: Verbal quotes Documentation will include notations of verbal quotes.
- b. Contracts in excess of \$10,000 to \$35,000: Written quotes.

3. Quotes Not Required When Competitive Bidding Not Required

The District will not be required to secure alternative proposals or quotations for those procurements as permitted by state law:

1. under a county contract;
2. under a state contract;
3. under a federal contract;
4. under a contract of another political subdivision;
5. of articles manufactured in state correctional institutions; or
6. from agencies for the blind and severely disabled.

VII. Procurements from Other than the "Lowest Responsible Dollar Offeror"

The District will provide justification and documentation of any contract awarded to an offeror other than the lowest responsible dollar offeror, setting forth the reasons why such award is in the best interests of the District and otherwise furthers the purposes of section 104-b of the General Municipal Law.

VIII. Internal Control

The Board authorizes the Superintendent of Schools, with the assistance of the Purchasing Agent, to establish and maintain an internal control structure to ensure, to the best of their ability, that the District's assets will be safeguarded against loss from unauthorized use or disposition, that transactions will be executed in accordance with the law and District policies and regulations, and recorded properly in the financial records of the District.

Comments will be solicited from those administrators involved in the procurement process before enactment of the District's regulations regarding purchasing and from time to time thereafter. The regulations must then be adopted by Board resolution. All District regulations regarding the procurement processes will be reviewed by the Board at least annually.

The unintentional failure to fully comply with the provisions of section 104-b of the General Municipal Law or the District's regulations regarding procurement will not be grounds to void action taken or give rise to a cause of action against the District or any officer or employee of the District.
