RECEIVED
NASSAU COUNTY
CLERK OF THE LEGISLATURE
2026 JUL 21 P 12:29

WHEREAS, Nassau County (“the County”) and The Carle Place School District (“the District”) are authorized, pursuant to Article 9, Section 1 of the New York State Constitution and Article 5-G of the General Municipal Law (“GML”) to enter into intergovernmental agreements; and

WHEREAS, it is in the best interests of the County and the District to purchase and procure new auditorium seating for Rushmore Avenue School (the “Project”); and

WHEREAS, the County and the District believe it to be in the best interest of the taxpayers of their respective municipalities to authorize intermunicipal cooperation with respect to the mutual covenants set forth in the proposed Inter-Municipal Agreement (“Agreement”), a copy of which is on file with the Clerk of the Legislature;

NOW, THEREFORE, be it RESOLVED, that the Nassau County Legislature hereby authorizes the County Executive to execute the Agreement and to execute any and all other instruments, related documents or ancillary agreements and to take such other action as is necessary to effectuate and carry out the intent and purpose of the Agreement; and it is further

RESOLVED, that pursuant to the provisions of the State Environmental Quality Review Act (“SEQRA”), 8 N.Y.E.C.L. section 0101 *et seq.* and its implementing regulations, Part 617 of 6 N.Y.C.R.R., and Section 1611 of the County Government Law of Nassau County said Project is a “Type II Action” within the meaning of Part 617.5(c) of 6 N.Y.C.R.R., and,

accordingly, is of a class of actions which do not have a significant effect on the environment and no further review is required.

AGREEMENT BETWEEN THE COUNTY OF NASSAU, NEW YORK AND THE
CARLE PLACE SCHOOL DISTRICT IN RELATION TO INTERMUNICIPAL
COOPERATION

THIS AGREEMENT ("Agreement") made and dated as of the date (the "Effective Date") that this Agreement is executed by Nassau County, by and between the County of Nassau, a municipal corporation, having its principal offices at 1550 Franklin Avenue, Mineola, New York 11501 (the "County") and the Carle Place School District having its principal offices at 168 Cherry Lane, Carle Place, New York 11514 ("DISTRICT").

WITNESSETH:

WHEREAS, it is in the best interests of the County and the DISTRICT to share resources in the undertaking of municipal improvement projects and other purposes, as authorized by Article 5-G of the General Municipal Law ("GML") of the State of New York;

WHEREAS, each party hereto has certain resources, including equipment, personnel and financing which is available to carry out such projects and purposes;

WHEREAS, it is possible to make such resources available for mutual use when it is in the public interest;

WHEREAS, it is desirable for the County and the DISTRICT to undertake a certain project as authorized by the GML through this Agreement; and

NOW, THEREFORE, in consideration of the mutual covenants set forth herein, the parties hereto do agree as follows:

Section 1. The County and the DISTRICT each represent that they are authorized, pursuant to Article 9, § 1 of the New York State Constitution and Article 5-G of the GML to enter into intergovernmental agreements to undertake the project, as described herein.

Section 2. The County and the DISTRICT, believing it to be in their respective best interests, do hereby authorize inter-municipal cooperation for the project as hereinafter defined.

Section 3. Under all applicable rules of public bidding and procurement, the DISTRICT will undertake a project (the "Project") to install new auditorium seating and related items, all with a useful life of no less than five (5) years, at Rushmore Avenue School (grades 3-6), located at 251 Rushmore Avenue in Carle Place. The Project will allow for the completion of Phase 8 of the abatement and reconstruction

of the school's auditorium. In May 2025, voters authorized funds from the DISTRICT's capital reserves to complete this phase of the Project. As pricing has increased significantly, the DISTRICT would be unable to furnish the auditorium with new seats under the current Project budget. The Project will allow the DISTRICT's robust performing arts program to continue. The DISTRICT represents and warrants that it has completed its review of the Project pursuant to the applicable provisions of the New York State Environmental Quality Review Act ("SEQRA") and has provided the County with documentations evidencing its SEQRA compliance.

Section 4. The County shall provide TWO HUNDRED THOUSAND DOLLARS (\$200,000.00) ("Funds") to the DISTRICT for the purchase of goods and services in connection with the Project. Payment shall be made to the DISTRICT in arrears and on a reimbursement basis and shall be contingent upon (i) the DISTRICT submitting a claim voucher (the "Voucher") in a form satisfactory to the County, that (a) states with reasonable specificity the services provided and the payment requested as consideration for such services, (b) certifies that the services rendered and the payment requested are in accordance with this Agreement, and (c) is accompanied by documentation satisfactory to the County supporting the amount claimed, and (ii) review, approval and audit of the Voucher by the County and/or the County Comptroller or his/her duly designated representative (the "Comptroller").

Section 5. The DISTRICT shall use these Funds solely for the Project no later than five (5) years from the execution of this Agreement. The County's role in the Project shall be limited to providing the Funds. Accordingly, the County shall have no responsibility or liability to any person or entity for any element of the Project.

Section 6. The DISTRICT shall (i) as between the County and the DISTRICT, accept full ownership, liability, and maintenance responsibilities for the Project; and (ii) grant to the County and its residents access to the Project equal to access enjoyed by residents of the DISTRICT for a period of at least five (5) years. The County shall not be obligated to contribute any funds or incur any costs or burdens associated with its use.

Section 7. Regardless of whether required by Law (as defined herein), the DISTRICT shall, and shall cause its agents to, conduct their activities in connection with this Agreement so as not to endanger or harm any person or property. The DISTRICT shall deliver services under this Agreement in a professional manner consistent with applicable best practices. The DISTRICT shall ensure that all approvals, licenses, and certifications ("Approvals") which are necessary or appropriate are obtained.

Section 8. The County and the DISTRICT shall comply with any and all federal,

state and local Laws, including those relating to conflicts of interest, discrimination, and confidentiality, in connection with their performance under this Agreement. In furtherance of the foregoing, the DISTRICT is bound by and shall comply with the terms of Appendix EE attached hereto. As used in this Agreement the word "Law" includes any and all statutes, local laws, ordinances, rules, regulations, applicable orders, and/or decrees, as the same may be amended from time to time, enacted, or adopted.

Section 9. The DISTRICT shall maintain and retain, for a period of six (6) years following the termination of this Agreement, complete and accurate records, documents, accounts and other evidence, whether maintained electronically or manually ("Records"), pertinent to its individual performance under this Agreement. Such Records shall at all times be available for audit and inspection by the County Comptroller, or any other governmental authority with jurisdiction over the provision of services hereunder and/or the payment therefor, and any of their duly designated representatives. The provisions of this Section shall survive termination of this Agreement.

Section 10.

- a) The DISTRICT shall be solely responsible for and shall indemnify and hold harmless the County, its officers, employees and agents ("Indemnified Parties") from and against any and all liabilities, losses, costs, expenses (including, without limitation, attorney's fees and disbursements) and damages ("Losses"), arising out of or in connection with any acts or omissions of the DISTRICT or any agent of the DISTRICT in the maintenance and control of the Project undertaken pursuant to this Agreement, regardless of whether due to negligence, fault, or default, including Losses in connection with any threatened investigation, litigation or other proceeding or preparing a defense to or prosecuting the same.
- b) The DISTRICT shall, upon the County's demand and at the County's direction, promptly and diligently defend, at the DISTRICT's own risk and expense, any and all suits, actions, or proceedings which may be brought or instituted against one or more Indemnified Parties and the DISTRICT shall pay and satisfy any judgment, decree, loss or settlement in connection therewith.
- c) The DISTRICT shall, and shall cause its agents to, cooperate with the County in connection with the investigation, defense or prosecution of any action, suit or proceeding.
- d) The provisions of this Section shall survive termination of this Agreement.

Section 11.

Nothing contained herein shall be construed to create an employment or principal-agent relationship, or a partnership or joint venture, between the County and any officer, employee, servant, agent or independent contractor of the DISTRICT, or between the DISTRICT and any officer, employee, servant, agent or independent contractor of the County, and neither party shall have the right, power or authority to obligate or bind the other in any manner whatsoever.

Section 12. Notwithstanding any other provision of this Agreement:

- a) **Approval and Execution.** The County shall have no liability under this Agreement (including any extension or other amendments of this Agreement) to any person unless (i) all County approvals have been obtained, including, if required, approval by the County Legislature, and (ii) this Agreement has been executed by the County Executive or his/her designee.
- b) **Availability of Funds.** The County shall have no liability under this Agreement (including any extension or other modification of this Agreement) to any person beyond funds appropriated or otherwise lawfully available for this Agreement, and, if any portion of the funds for this Agreement are from the state and/or federal governments, then beyond funds available to the County from the state and/or federal governments.

Section 13. This Agreement represents the full and entire understanding and agreement between the County and the DISTRICT with regard to the subject matter hereof and supersedes all prior agreements (whether written or oral) of the parties relating to the subject matter of this Agreement.

Section 14.

- a) The undersigned representative of the County of Nassau hereby represents and warrants that the undersigned is an officer, director or agent of the County of Nassau with full legal rights, power and authority to sign this Agreement on behalf of the County of Nassau and to bind the County of Nassau with respect to the obligations enforceable against the County of Nassau in accordance with its terms.
- b) The undersigned representative of the DISTRICT hereby represents and warrants that the undersigned is an officer, director or agent of the DISTRICT with full legal rights, power and authority to sign this Agreement on behalf of the DISTRICT and to bind the DISTRICT with respect to the obligations enforceable against the DISTRICT in accordance with its terms.

Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- a. The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- b. At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- c. The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- d. The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.
- e. The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.

- f. Contractors must notify and receive approval from the respective DISTRICT Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- g. Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- h. At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- i. In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- j. Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- k. A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.
- l. The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
 - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions

included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.

- b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
- c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction, or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").
- m. The contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term "Best Efforts Checklist" shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term "County Contract" shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the

County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term "County Contract" does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term "County Contractor" means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term "County Contractor" shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE "Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises" shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.
- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation.
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation

- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation.
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation.
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor

shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

SEQRA Determination**

Dear Ms. DeMartino:

In regard to the proposed above referenced project, H2M architects + engineers (H2M) is pleased to provide our recommendation for SEQRA characterization which is as follows:

Pursuant to the New York State Environmental Conservation Law and implementing regulations (6 NYCRR Part 617), the above referenced projects are considered a Type II action under SEQRA. As promulgated in Part 617.5(a) Type II actions are:

*Actions or classes of actions identified in subdivision (c) of this section are not subject to review under this Part. These actions have been determined **not** to have a significant impact on the environment or are otherwise precluded from environmental review under Environmental Conservation Law, article 8.*

Specifically, under subdivision (c) of Part 617.5 are two subdivisions pertaining to the subject projects, which provide the basis for establishing them as Type II actions:

- (c) *The following actions are not subject to review under this Part:*
- (2) *replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building or fire codes, unless such action meets or exceeds any of the thresholds in section 617.4 of this part;*
- (10) *routine activities of educational institutions, including expansion or existing facilities by less than 10,000 square feet of gross floor area and school closings, but not changes in use related to such closings;*

Thus, it is anticipated that the proposed above referenced project meets these definitions as Type II action and is not subject to SEQRA review. It would be prudent for the Carle Place Union Free School District, Board of Education to pass a resolution that establishes the fact that these projects have been reviewed and categorized under SEQRA and as determined by the lead agency will **not** have adverse effect on the environment and is therefore **not** subject to SEQRA review.

If you should have any questions, please contact me at (631) 756-8000, extension 1011.

Very truly yours,

H2M architects + engineers
