Appendix EE

Equal Employment Opportunities for Minorities and Women

The provisions of this Appendix EE are hereby made a part of the document to which it is attached.

The Contractor shall comply with all federal, State and local statutory and constitutional anti-discrimination provisions. In addition, Local Law No. 14-2002, entitled "Participation by Minority Group Members and Women in Nassau County Contracts," governs all County Contracts as defined by such title and solicitations for bids or proposals for County Contracts. In accordance with Local Law 14-2002:

- a. The Contractor shall not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status in recruitment, employment, job assignments, promotions, upgradings, demotions, transfers, layoffs, terminations, and rates of pay or other forms of compensation. The Contractor will undertake or continue existing programs related to recruitment, employment, job assignments, promotions, upgradings, transfers, and rates of pay or other forms of compensation to ensure that minority group members and women are afforded equal employment opportunities without discrimination.
- b. At the request of the County contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability, or marital status and that such employment agency, labor union, or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein.
- c. The Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the County Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
- d. The Contractor shall make Best Efforts to solicit active participation by certified minority or women-owned business enterprises ("Certified M/WBEs") as defined in Section 101 of Local Law No. 14-2002, including the granting of Subcontracts.

- e. The Contractor shall, in its advertisements and solicitations for Subcontractors, indicate its interest in receiving bids from Certified M/WBEs and the requirement that Subcontractors must be equal opportunity employers.
- f. Contractors must notify and receive approval from the respective Department Head prior to issuing any Subcontracts and, at the time of requesting such authorization, must submit a signed Best Efforts Checklist.
- g. Contractors for projects under the supervision of the County's Department of Public Works shall also submit a utilization plan listing all proposed Subcontractors so that, to the greatest extent feasible, all Subcontractors will be approved prior to commencement of work. Any additions or changes to the list of subcontractors under the utilization plan shall be approved by the Commissioner of the Department of Public Works when made. A copy of the utilization plan any additions or changes thereto shall be submitted by the Contractor to the Office of Minority Affairs simultaneously with the submission to the Department of Public Works.
- h. At any time after Subcontractor approval has been requested and prior to being granted, the contracting agency may require the Contractor to submit Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises. In addition, the contracting agency may require the Contractor to submit such documentation at any time after Subcontractor approval when the contracting agency has reasonable cause to believe that the existing Best Efforts Checklist may be inaccurate. Within ten working days (10) of any such request by the contracting agency, the Contractor must submit Documentation.
- i. In the case where a request is made by the contracting agency or a Deputy County Executive acting on behalf of the contracting agency, the Contractor must, within two (2) working days of such request, submit evidence to demonstrate that it employed Best Efforts to obtain Certified M/WBE participation through proper documentation.
- j. Award of a County Contract alone shall not be deemed or interpreted as approval of all Contractor's Subcontracts and Contractor's fulfillment of Best Efforts to obtain participation by Certified M/WBEs.
- k. A Contractor shall maintain Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises for a period of six (6) years. Failure to maintain such records shall be deemed failure to make Best Efforts

to comply with this Appendix EE, evidence of false certification as M/WBE compliant or considered breach of the County Contract.

1. The Contractor shall be bound by the provisions of Section 109 of Local Law No. 14-2002 providing for enforcement of violations as follows:
 - a. Upon receipt by the Executive Director of a complaint from a contracting agency that a County Contractor has failed to comply with the provisions of Local Law No. 14-2002, this Appendix EE or any other contractual provisions included in furtherance of Local Law No. 14-2002, the Executive Director will try to resolve the matter.
 - b. If efforts to resolve such matter to the satisfaction of all parties are unsuccessful, the Executive Director shall refer the matter, within thirty days (30) of receipt of the complaint, to the American Arbitration Association for proceeding thereon.
 - c. Upon conclusion of the arbitration proceedings, the arbitrator shall submit to the Executive Director his recommendations regarding the imposition of sanctions, fines or penalties. The Executive Director shall either (i) adopt the recommendation of the arbitrator (ii) determine that no sanctions, fines or penalties should be imposed or (iii) modify the recommendation of the arbitrator, provided that such modification shall not expand upon any sanction recommended or impose any new sanction or increase the amount of any recommended fine or penalty. The Executive Director, within ten days (10) of receipt of the arbitrator's award and recommendations, shall file a determination of such matter and shall cause a copy of such determination to be served upon the respondent by personal service or by certified mail return receipt requested. The award of the arbitrator, and the fines and penalties imposed by the Executive Director, shall be final determinations and may only be vacated or modified as provided in the civil practice law and rules ("CPLR").
 - m. The Contractor shall provide contracting agency with information regarding all subcontracts awarded under any County Contract, including the amount of compensation paid to each Subcontractor and shall complete all forms provided by the Executive Director or the Department Head relating to subcontractor utilization and efforts to obtain M/WBE participation.

Failure to comply with provisions (a) through (m) above, as ultimately determined by the Executive Director, shall be a material breach of the contract constituting grounds for immediate termination. Once a final determination of failure to comply has been reached by the Executive Director, the determination of whether to terminate a contract shall rest with

the Deputy County Executive with oversight responsibility for the contracting agency.

As used in this Appendix EE the term “Best Efforts Checklist” shall mean a list signed by the Contractor, listing the procedures it has undertaken to procure Subcontractors in accordance with this Appendix EE.

As used in this Appendix EE the term “County Contract” shall mean (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of twenty-five thousand dollars (\$25,000), whereby a County contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the County; or (ii) a written agreement in excess of one hundred thousand dollars (\$100,000), whereby a County contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon. However, the term “County Contract” does not include agreements or orders for the following services: banking services, insurance policies or contracts, or contracts with a County contracting agency for the sale of bonds, notes or other securities.

As used in this Appendix EE the term “County Contractor” means an individual, business enterprise, including sole proprietorship, partnership, corporation, not-for-profit corporation, or any other person or entity other than the County, whether a contractor, licensor, licensee or any other party, that is (i) a party to a County Contract, (ii) a bidder in connection with the award of a County Contract, or (iii) a proposed party to a County Contract, but shall not include any Subcontractor.

As used in this Appendix EE the term “County Contractor” shall mean a person or firm who will manage and be responsible for an entire contracted project.

As used in this Appendix EE “Documentation Demonstrating Best Efforts to Obtain Certified Minority or Women-owned Business Enterprises” shall include, but is not limited to the following:

- a. Proof of having advertised for bids, where appropriate, in minority publications, trade newspapers/notices and magazines, trade and union publications, and publications of general circulation in Nassau County and surrounding areas or having verbally solicited M/WBEs whom the County Contractor reasonably believed might have the qualifications to do the work. A copy of the advertisement, if used, shall be included to demonstrate that it contained language indicating that the County Contractor welcomed bids and quotes from M/WBE Subcontractors. In addition, proof of the date(s) any such advertisements appeared must be included in the Best Effort Documentation. If verbal solicitation is used, a

County Contractor's affidavit with a notary's signature and stamp shall be required as part of the documentation.

- b. Proof of having provided reasonable time for M/WBE Subcontractors to respond to bid opportunities according to industry norms and standards. A chart outlining the schedule/time frame used to obtain bids from M/WBEs is suggested to be included with the Best Effort Documentation
- c. Proof or affidavit of follow-up of telephone calls with potential M/WBE subcontractors encouraging their participation. Telephone logs indicating such action can be included with the Best Effort Documentation
- d. Proof or affidavit that M/WBE Subcontractors were allowed to review bid specifications, blueprints and all other bid/RFP related items at no charge to the M/WBEs, other than reasonable documentation costs incurred by the County Contractor that are passed onto the M/WBE.
- e. Proof or affidavit that sufficient time prior to making award was allowed for M/WBEs to participate effectively, to the extent practicable given the timeframe of the County Contract.
- f. Proof or affidavit that negotiations were held in Best Efforts with interested M/WBEs, and that M/WBEs were not rejected as unqualified or unacceptable without sound business reasons based on (1) a thorough investigation of M/WBE qualifications and capabilities reviewed against industry custom and standards and (2) cost of performance. The basis for rejecting any M/WBE deemed unqualified by the County Contractor shall be included in the Best Effort Documentation
- g. If an M/WBE is rejected based on cost, the County Contractor must submit a list of all sub-bidders for each item of work solicited and their bid prices for the work.
- h. The conditions of performance expected of Subcontractors by the County Contractor must also be included with the Best Effort Documentation
- i. County Contractors may include any other type of documentation they feel necessary to further demonstrate their Best Efforts regarding their bid documents.

As used in this Appendix EE the term "Executive Director" shall mean the Executive Director of the Nassau County Office of Minority Affairs; provided, however, that Executive Director shall include a designee of the Executive Director except in the case of final determinations issued pursuant to Section (a) through (l) of these rules.

As used in this Appendix EE the term "Subcontract" shall mean an agreement consisting of part or parts of the contracted work of the County Contractor.

As used in this Appendix EE, the term "Subcontractor" shall mean a person or firm who performs part or parts of the contracted work of a prime contractor providing services, including construction services, to the County pursuant to a county contract. Subcontractor shall include a person or firm that provides labor, professional or other services, materials or supplies to a prime contractor that are necessary for the prime contractor to fulfill its obligations to provide services to the County pursuant to a county contract. Subcontractor shall not include a supplier of materials to a contractor who has contracted to provide goods but no services to the County, nor a supplier of incidental materials to a contractor, such as office supplies, tools and other items of nominal cost that are utilized in the performance of a service contract.

Provisions requiring contractors to retain or submit documentation of best efforts to utilize certified subcontractors and requiring department head approval prior to subcontracting shall not apply to inter-governmental agreements. In addition, the tracking of expenditures of County dollars by not-for-profit corporations, other municipalities, States, or the federal government is not required.

Resolution offered by Mayor Panzenbeck and seconded by Councilman Zozzaro

BE IT RESOLVED, that the City Council hereby authorizes the Mayor to enter into an Intermunicipal Cooperation Agreement ("IMA") with the County of Nassau, to accept \$350,000.00 (three-hundred and fifty-thousand dollars and no cents) from the County of Nassau, to rebuild the stadium at Pascucci Field with new lights, bathrooms, and related items, all with a useful life of no less than 5 (five) years.

CITY OF GLEN COVE PROCUREMENT PROCEDURES

When acquiring goods and/or services from outside vendors for City of Glen Cove purposes, the Purchasing Policy as approved by the City Council must be adhered to and each department must comply with the following procedures:

1. A determination must be made whether a purchase of goods and/or services is subject to the competitive bidding requirements of General Municipal Law Section 103. This section of law states that the purchase of any goods or services for \$20,000 or more must be publicly bid and any purchase of goods and services (public works contracts) for \$35,000 or more must be publicly bid.
2. Competitive Bids – the issuance of a public bid in accordance with item 1 above must be obtained by the following:
 - Before the bidding process begins, the department head must first determine the availability of funding and the budget account to be charged.
 - A determination should be made if the goods or services can be acquired through state or county contracts. If a state or county contract is available for the item or service to be purchased, the city should use the available contract thus saving time and procurement costs.
 - When no state or county contract is available, detailed specifications must be written for distribution to each potential bidder.
 - If a bid is to be let on a best value basis the specifications must so indicate and must include the factors that will be considered and the method used to analyze and determine the best value vendor.
 - Best value cannot be used for public works contracts that are covered under prevailing wage provisions of article 8 of the Labor Law such as for building construction.
 - The bid documents and any other information, specifically the budget account, must be delivered to the Purchasing Agent. The Purchasing Agent will administer and coordinate the bid process. The Purchasing Agent and a representative from the department requesting the bid (when necessary) will open and record all bids received.
 - The department head will review the bids submitted for compliance with the specifications in the bid documents.
 - Upon reviewing the bids, the department will make a written recommendation to the Purchasing Agent as to which bidder is the lowest responsible bidder (meets all of the specifications and provides the lowest price).
 - Best value bids must also include a cost benefit analysis of the non-price factors and indicate why the best value vendor is being selected.
 - The Purchasing Agent, if in concurrence with the department head, will submit a recommendation to the City Council that the bid be awarded to the lowest responsible bidder or the bidder providing the best value to the city.
 - Once awarded by the City Council, the Purchasing Agent will issue a purchase order to the selected vendor.
3. If a determination is made that the purchase of goods and/or services are not subject to the competitive bidding requirements of General Municipal Law Section 103 then the following methods of purchase must be utilized:

\$ 10,000.00 - \$ 19,999.99	Three written /fax quotes made in response to uniform specifications & PO.

 - **Estimated amount of public works contracts for goods and services:**

<u>\$</u>	<u>Method</u>
.00 - \$ 999.99	No quotes or PO
\$ 1,000.00 - \$ 4,999.99	Purchase order required, three documented phone quotes
\$ 5,000.00 - \$ 14,999.99	Three written/fax quotes & PO
\$ 15,000.00 - \$ 34,999.99	Three written /fax quotes made in response to uniform specifications & PO.
4. For purchases under \$1,000, it is not necessary to obtain any quotes or submit any requisitions. A properly completed city claim form must be submitted along with the original invoice, delivery receipts or packing lists from the vendor. The department head authorizing the purchase must sign the claim form and must indicate a properly funded budget code for the purchase to be charged.
5. For purchases in excess of \$1,000, a Purchase Order will be required to insure that sufficient budgeted funds are available to cover the purchase. The following steps are to be followed in requesting a Purchase Order:
- A written Purchase Requisition must be submitted to the Purchasing Dept.
 - The requisition must include, as required in item 3 above, copies of all the quotes obtained. If you cannot obtain the required number of quotes, the names of the vendors where quotes were attempted and an explanation as to why you could not obtain the required number of quotes must accompany the requisition.
 - Requisitions written on a best value basis, whether based on a formal bid or quotes, must include the analysis used to determine the best value vendor.
 - The department head must authorize the purchase by signing the requisition in the appropriate location.
 - An appropriate budget code that is sufficiently funded must be indicated.
6. Once the Purchasing Department receives a properly completed and supported Purchase Requisition, a Purchase Order will be issued. A copy will be sent to the requesting department at which time the department can then place the order. The Purchasing Agent will send a confirmation copy of the purchase order and a payment voucher to the vendor.
7. Upon receipt of an invoice from the vendor, the department head is to submit a City Claim Voucher with the original invoice, purchase order and packing list attached to the City Controller's office for review and payment. The Claim Voucher must include the Purchase Order number, the budget code to be charged, and must be signed by the Department Head

certifying that the goods and/or services have been properly received or delivered in accordance with specifications detailed in the bid or quotes received.

8. **Annual Purchase Orders** – are required to quotes or bids based on amounts as listed above. Prices can be held at certain price for more than one year if vendor is in agreement. Should be set up for vendors that have recurring monthly charges (i.e. pagers, cell phones, copy machines etc). A single purchase order should be established that would cover the cost for the entire year. If numerous small purchases are to be made from a single vendor, a purchase requisition should be submitted for that vendor at the beginning of the year, with the estimated amount that will be expended with in a four (4) month period. At the end of the four-month period, a new requisition must be submitted with an estimated amount that will be expended over the next four-month period. These blanket purchase orders will expire at the end of ever four-month cycle and will only be renewed and extended if a new requisition is received.
