------------------------	--	--	--	--	--

* List the name of route, road, or ingress/egress of facility impacted under each Reporting Category.

Damage Category Definitions	
1 – Impassible	Road is impassible
2 – Passible 1	One (1) lane of road is passible
3 – Passible 2	Two (2) lanes of road are passible, but the ROW is not usable
4 – Passible 2	Two (2) lanes of road are passible, including most of ROW (however some problems remain on ROW)
5 – Normal	Normal/pre-disaster road conditions exist
