Activity: CDBG-DR funding will be used to design and install transfer switches on County-owned traffic signal poles located in priority locations, identified by Nassau County, across the Seaford, Wantagh, Baldwin, Bellmore, Merrick, Massapequa, East Massapequa, Massapequa Park, and Freeport communities. Once they are connected to one of Nassau County's portable power sources, these transfer switches would allow for traffic signals to remain operational in the event of a power outage.

Objective: To address the urgent need for traffic signals in storm-affected communities and on major roadways to remain operational and visible to allow for evacuation and recovery efforts in the event of a power outage.

Location: The target area includes the Seaford, Wantagh, Baldwin, Bellmore, Merrick, Massapequa, East Massapequa, Massapequa Park, and Freeport communities. Installation shall take place at priority locations along Merrick Road, Sunrise Highway, and additional streets with County traffic signals that are critical for safe and secure passage during and after future storm events.

Amount: Table 1 shows the CDBG-DR activity and the corresponding dollar amount for the installation of Nassau County Traffic Signals along with an estimate of the total project cost.

Table 1: Nassau County Traffic Signals Corresponding Dollar Amounts and Activity

Funding Source	Amount	Activity
CDBG-DR	\$300,000.00	Public Facilities and Improvements
Total	\$300,000.00	

A copy of the application will be available for review at Nassau County Executive Building, 1 West Street, 4th Floor, Mineola, NY 11501, Monday through Friday between the hours of 8 a.m. to 5 p.m. The notice is also available on the Nassau County Department of Public Works (DPW) website at: <http://www.nassaucountyny.gov/1865/Public-Works>.

All citizens, particularly persons of low and moderate income and residents of blighted areas, as well as those affected by the project are encouraged to submit their views and proposals by March 10, 2017 to the County of Nassau at the following address:

Nassau County Executive Building
1 West Street, 4th Floor
